

PHILIPPINE INVASION CLAIMED

RUSSIANS BATTLE INTO EAST PRUSSIA

GERMANY ANNOUNCES EVACUATION OF EAST PRUSSIA BORDER CITY

CLAIMED RUSSIANS HURLING MASSES INFANTRY AND TANKS INTO ACTION

LONDON, Oct. 19.—(P)—Russian forces backed by 500 tanks have penetrated well into East Prussia where the German border town of Eydtkuhnen has been evacuated. The Berlin radio said today. "The deepest Russian penetration" was in the Eydtkuhnen area 37 miles east of Interburg and the Red Army has passed this town, Berlin said. "The Russians have advanced farther on German soil."

The German communiqué acknowledged loss of the town but insisted that a breakthrough had been averted.

Tremendous infantry and tank forces were being hurled against the homeland of the Junker generals to "achieve a grand scale breakthrough at all costs," the enemy said.

The front was widened from 30 to 45 miles overnight with the Russians extending their attacks to the area of Suwalki, center of a triangle which formerly annexed from Poland to East Prussia in 1939.

Another Offensive.

The Germans early tonight reported another Russian offensive along a 50-mile stretch of the Narv river above Warsaw which they declared was aimed at the Baltic port of Danzig, where some of the first shots of the war were fired.

Success of such a campaign would cut off the entire province of East Prussia. The front was reported extending from Suwalki, north of Warsaw, to Nowogrod, 15 miles south of the East Prussian border. Serock, however, is 360 airline miles from Danzig.

Russians quit obviously mean to tear open the German front by simultaneous right and left hooks from the Narv bridgeheads and the area between Suwalki and Schirwindt," the Berlin broadcast said.

Crossed Border.

Berlin tacitly acknowledged in yesterday's communiqué that the German new offensive had plunged across the East Prussian border and reached another frontier town of Schirwindt, nine miles northeast of Eydtkuhnen. Moscow has not yet announced the drive.

Eydtkuhnen, 87 miles east of Königsberg, capital of East Prussia, is a German submarine training station. It is the first German settlement which the Nazis have abandoned in the east.

"The battle is rising in intensity and taking on greater proportions," the Berlin radio said. "The Russians have brought up most of their forces from Finland and Estonia and flung them into the fray."

The enemy said the drive, under command of the 36-year-old

BERLIN HINTS RUSSIAN GAINS—Arrows indicate reported Red Army drives on the northern sector of the eastern front (black line), where Berlin said Oct. 18, German forces had abandoned Virbalis, Lithuania, and indicated Russians had reached the vicinity of Schirwindt, which lies inside East Prussia. ELECTION CAMPAIGN STRESSES WINNING AND KEEPING PACE

REPUBLICANS AND DEMOCRATS, HOWEVER, AT ODDS OVER METHODS

By The Associated Press.

Campaigning in America's first wartime election in 80 years struck hard today on winning and keeping the peace, with Republicans and Democrats sharply at odds on which man could best run the job.

And more to come—in a Saturday night speech by President Roosevelt at New York, where his policies in diplomacy were assailed last night by Gov. Dewey as resulting in American soldiers "paying in blood."

"I am x x x convinced," Dewey said in a broadcast from the New York Herald Tribune Forum, "that to the extent that we leave our international relations to the personal secret diplomacy of the president, our efforts to secure a lasting peace will fail."

Germans have been terrified "into fanatical resistance" and are "fighting with the frenzy of despair," he said, because of "our failure to have ready an intelligent program or dealing with invader."

Indicating vigorously the administration's handling of foreign affairs, the Republican presidential nominee said that "a few individual rulers should in secret conferences try to shape the future peace of the world."

No Reservations.

"We must make certain that our participation in this world organization is not subjected to reservations that would nullify the power of that organization to maintain peace and to halt future aggression. The surest way to invite disaster is to insist that everything must be perfect from the start," he said.

Doubt that Dewey, if elected, could "back the known and recognized forces in the Republican party" was expressed in Raleigh, N. C., by Josephus Daniels, secretary of the United States War Relocation Authority.

Daniels said in a radio talk: "There is only one great issue."

CRUSHING RED ARMY OFFENSIVE AGAINST EAST PRUSSIA AREA

GERMANS REPORT GRAND SCALE BREAKTHROUGH IS OBJECT

By WILLIAM L. RYAN, Associated Press War Editor.

The Germans reported a crushing Red Army offensive against East Prussia today, aimed at "a grand scale breakthrough at all costs," and in the west the allies smashed the nazis back toward Venlo on the Maas river in Holland in what may be a preliminary to a great drive designed to force a final decision.

There was some possibility that a grand allied strategy to smash at the Germans simultaneously from the East and West was unfolding, as Berlin admitted evacuation of Eydtkuhnen, East Prussian border town 37 miles east of the rail center of Interburg.

The Germans said most of the Russian Baltic forces were thrown into the rising battle. Yesterday Berlin admitted the East Prussian border had been reached at Schirwindt.

A British staff officer said the allies in the west were building up for the grand assault which might force a decision in ten weeks. Driving to clear Antwerp, which would supply this offensive, allied forces in the Schelde river estuary advanced to within 3,000 yards of Breskens, nazi stronghold guarding the approaches to the port.

U. S. First army doughboys drove the nazis in encircled Aachen to the northwest section of the city, and ripped wide this breach in the Siegfried line.

In the V.C.'s foothills on the allied southern flank, German counterattacks were thrown back and nazis were consolidated.

A thousand or more U. S. heavy bombers, escorted by 700 fighters struck deep into Southwest Germany today at military targets in the areas of Mannheim, Mainz and Ludwigshafen, following up RAF attacks by Mosquito bombers on Mannheim, Hannover and other unidentified targets.

Heavy rain pelted the entire

THOUSAND OR MORE AMERICAN HEAVIES ATTACKED GERMANY

LONDON, Oct. 19.—(P)—A thousand or more American heavy bombers attacked important military objectives today in the Mainz-Ludwigshafen and Mannheim areas of Southwest Germany.

Some 700 fighters flew with the Flying Fortresses and Liberators.

The three cities on the Rhine have large rail yards and numerous war industries including armored vehicle works, ordnance and oil depots and chemical plants. Mannheim was hit by Mosquito bombers last night, while others of the wooden craft bombed Hannover.

The armada flew through a heavy overcast. It was the first time in six days that U. S. Eighth air force attacks have been directed beyond the Rhineland city of Cologne, 40 miles from the battle of Aachen.

Night fliers bombed several unidentified objectives in Western Germany.

Hannover is one of Northwest Germany's most important industrial and rail centers. Mannheim on the Rhine, is a major supply point for the lower end of the Siegfried line.

One bomber was lost.

A United States communiqué said 10 heavy bombers and 23 fighters were lost yesterday in attacks on the northwest German communications centers of Cologne and Kassel.

FIFTH ARMY TROOPS CAPTURE MORE PEAKS IN BOLOGNA AREA

ROME, Oct. 19.—(P)—Fifth army troops have captured several more peaks and villages on the southern approaches to Bologna and the Eighth army has forced a bridgehead across the Piacentia river north of the Bologna-Rimini highway in the Adriatic sector. Allied headquarters announced today.

The bridgehead, east of the important road junction town of Cesena, was gained against strong German opposition, the war bulletin said.

Fighting bitterly against reinforced German troops American infantrymen established themselves at San Clemente on a subsidiary road to the Bologna-Rimini highway, nine miles from Castel San Pietro.

Other Fifth army units took Vaglie to the west and entered Casale Vecchio, about two and a half miles northwest of San Clemente, while doughboys carried new positions on highway 65—the main road to Bologna north from Florence.

The communiqué said "very heavy fighting" continued on the southern slopes of Monte Belmonte and the highway 65 area.

Bad weather again hampered ground operations in most of the sectors and curtailed operations of the Mediterranean Allied air force.

HEAVY CASUALTIES REPORTED AS RESULT OF ROBOT BOMB HIT

LONDON, Oct. 19.—(P)—Heavy casualties were reported today in a small town in Southern England which suffered one of its worst blows of the war as the Germans continued their flying bomb attacks for the eighth successive night.

An entire row of houses in the community was destroyed by a rocket which plowed into the earth after being hit by anti-aircraft fire. Rescue workers still were digging in the ruins this morning for dead and injured, but the total number of casualties remained uncertain.

Flying bombs also fell in other scattered areas.

In some districts lightning-like flashes lit up the sky—seen far beyond the range of the sound of the explosion.

Speculation developed whether the Nazis were experimenting with some new type of explosive as the crisis-cross flashes were different from those 1941. Britons have become accustomed.

JAP REPORTS OF PHILIPPINES RE-OCCUPATION INDICATE THAT THIS MAY BECOME TRUE SOON

By J. M. ROBERTS, JR. (Substituting for DeWitt Mackenzie)

Japanese reports that the re-occupation of the Philippines has begun are, as usual, subject to revision for accuracy, but fit perfectly into the picture of the Pacific war which has been building up for some time.

Whether the Leyte gulf action is actually a part of a general invasion or merely a preliminary is of little moment. Either way it means that within a comparatively short time MacArthur will have kept his promise to return.

Never before in world history has there been such a battle as that for the Philippines, which is actually what the entire Pacific war has amounted to so far. Japanese outposts have been pushed back gradually for thousands of miles to prepare for this action. Even Admiral Halsey's activities of the last few days, in a comparatively small corner of the great Pacific, have been staged on a scale to stagger the imagination. He has thrown a great arc of protection between the Philippines and Japan, destroyed 915 enemy planes

STEAMSHIP LINES JOIN IN REQUEST RATE INCREASES

WASHINGTON, Oct. 19.—(P)—Four steamship companies, operating along the Atlantic and Gulf of Mexico coasts, joined with the nation's railroads today in requesting re-establishment of January 1, 1945, of emergency freight rate increases now under suspension.

The Bull Steamship Line, Inc., Atlantic Steamship Corporation, Seatrail Lines, Inc., and Southern Steamship Company said in a petition to the Interstate Commerce Commission that their rates are allied with those of the rail carriers and that they have experienced increased operating costs similar to those outlined by the railroads.

Resumption of coastwise service, suspended because of the war, they said, will require reinstatement of the rate increases if the companies are to operate on a remunerative basis.

The commission has set Oct. 23 for a hearing on the question.

U. S. EXPEDITIONARY FORCE REPORTED BE LANDING AT LEYTE

TOKYO RADIO REPORTED AMERICANS STRIKING AT JAPANESE FLANK

By The Associated Press.

American expeditionary forces are invading the Philippines, Tokyo radio reported today, striking at the very center of the vulnerable eastern flank of the Archipelago.

Domel news agency said flatly that United States forces have begun their "reinvansion of the Philippines," supported by powerful units of the Pacific fleet and China-based aircraft.

Sea forces, Domel said, included "the naval fleet under the command of Gen. Douglas MacArthur."

An official Japanese communiqué said "the enemy fleet" accompanied transports into sparsely Leyte Gulf Tuesday (Manila Time) and for the last two days naval guns and carrier aircraft have been bombarding shore defenses.

"Part of the enemy forces seem to have landed on Suluan Island" at the entrance to the gulf, Domel news agency said.

Domel asserted Vice Adm. Marc Mitscher's powerful Task Force 58—the carrier arm of the Pacific fleet—was not participating in the invasion because of asserted losses suffered off Formosa. These have been denied by Adm. Chester W. Nimitz.

Organized New Large Force.

Since the Formosa battle, Domel broadcast, "the enemy has organized a new large task force, grouping together the Fifth fleet under Vice Adm. Raymond Spruance, which did not participate in the air battle off Taiwan (Formosa) and the naval fleet under the command of Gen. Douglas MacArthur, as well as other naval forces in the Pacific, excluding the 58th task force."

Our army and navy forces in this sector," Domel added, "are confronting the enemy forces with undaunted resolution."

These broadcasts, recorded by the Federal Communications Commission, were the only reports that

BOX SCORE PACIFIC WAR FINALLY GIVEN BY ADMIRAL HALSEY

U. S. PACIFIC FLEET HEADQUARTERS, Pearl Harbor, Oct. 19.—(P)—The American Third fleet has been so busy against the Japanese, operating much of the time under radio silence, that Adm. William F. Halsey, Jr., hasn't had the opportunity to list the complete enemy losses in ships and planes.

This is the incomplete back-log glance:

Oct. 3, Third fleet carrier planes sank the Ryukyu, Oct. 10, they opened attacks on the Philippines. Oct. 11, 12 and 13, they blasted Formosa. Then for the next two days the task force fought off Japanese planes.

The incomplete report of shipping losses inflicted runs like this:

Ryukyus—46 ships sunk, 11 probably sunk, 20 damaged; 41 small craft sunk, many damaged.

Formosa—32 ships sunk, 27 probably sunk, 14 damaged; more than 105 small craft sunk or damaged.

Philippines—7 ships sunk or set afire.

Out of the welter of reports covering air battles over the raided islands and the repulsion of enemy attacks on the fleet, it is possible only to give a general summary: More than 900 destroyed.

Additionally, great damage has been done to enemy barracks, airfields, supply stores and defense installations.

American losses listed: 21 planes, 31 pilots, 11 air crewmen. Two "medium" warships damaged but able to retire under their own power.

ATLANTIC COASTLINE THREATENED TODAY BY GULF HURRICANE

MIAMI, Oct. 19.—(P)—The Atlantic coastline from Daytona Beach to Cape Hatteras, N. C., was threatened today by a severe tropical hurricane that struck the Florida west coast before dawn and headed rapidly across the state toward Jacksonville.

The Weather Bureau reported at 10 a. m. that hurricane warnings had been hoisted from Daytona to Cape Hatteras in anticipation of winds of 60 to 80 miles an hour velocity.

The blow was moving across state at a rate of 18 to 20 miles an hour and will pass into the Atlantic near Jacksonville.

No loss of life or casualties were reported from the hurricane which earlier caused perhaps a dozen deaths, injured between 300 and

TROPICAL STORM HEAD-ED ACROSS STATE OF FLORIDA THURSDAY

MIAMI, Oct. 19.—(P)—The Atlantic coastline from Daytona Beach to Cape Hatteras, N. C., was threatened today by a severe tropical hurricane that struck the Florida west coast before dawn and headed rapidly across the state toward Jacksonville.

The Weather Bureau reported at 10 a. m. that hurricane warnings had been hoisted from Daytona to Cape Hatteras in anticipation of winds of 60 to 80 miles an hour velocity.

GREEK GOVERNMENT IS BACK IN ATHENS AFTER FOUR YEARS

ATHENS, Oct. 19.—(P)—Back in Greece after four years of exile, Premier George Papandreu and his government assumed control today from a committee of three that had ruled since the liberation of Athens Sunday.

A tumultuous reception was given them as they reached the capital yesterday.

Philip Manoussis, head of the temporary government committee, said that during the Axis occupation more than 500,000 Greeks were slain or died of privation. This total, he said, included 45,000 killed by the Bulgarians in France, 40,000 hostages shot by the Germans and Italians, and 8,000 killed in Guerrilla warfare.

GOVERNMENT GIVES CASUALTY FIGURES OF WESTERN FRONT

LOSSES DO NOT INCLUDE THOSE OF THE AERIAL DEPARTMENT

WASHINGTON, Oct. 19.—(P)—United States casualties on the western front from the invasion on June 6 through October 8, numbered 174,789.

Air force casualties are not included in this figure announced today by the war department.

Of the total, 29,842 were killed, 130,227 wounded and 14,711 missing.

The casualties include those of the Seventh army which landed in southern France as well as those fighting in France, the lowlands and the German border region.

Since the start of the war, the combined army and navy casualty total is 453,375, compared with 417,085 two weeks ago.

Army casualties for all theaters through October 8 were 384,895, an increase of 33,602 since the last announcement of casualty figures October 5.

Part of the increase, the department said, "is due to a revised and improved statistical system which permits a more up-to-date picture of the situation. However, there inevitably remains a time lag of about 15 days between actual casualties and the receipt of individual reports for accounting at the war department."

Of the 384,895 casualties, 75,562 are dead, including 10,000 killed of wounds as well as battle field deaths; 298,332 are wounded (excluding those who died of wounds); 48,404 are missing and 52,337 are captured and interned.

The latest navy casualty figure is 68,480, an increase of 2,688 in two weeks.

BRITISH-AMERICAN MECHANIZED FORCES ROCK GERMANS BACK

LONDON, Oct. 19.—(P)—British Tommies and American Armor rocked the Germans back toward Venlo on the Maas (Meuse) from the Holland salient today in what appeared to be the preliminaries to an offensive aimed at breaking German resistance before Christmas.

West of Antwerp in Holland Canadian forces were less than two miles from the German guns at Breskens commanding the sea entrance to the port from the pocket south of the Scheldt.

In Aachen U. S. First army troops, again smashing German tank and infantry counterattacks northeast of the Siegfried line city, but held them there, while they smashed on into the northwestern quarter where fighters and fighter-bombers pinpointed strong-points ahead of the bazooka and Grenade squads.

Coinciding with Berlin's report of a severe Russian onslaught against East Prussia's defenses, the German radio declared that the British offensive in East Holland, "in support of the American attack on Aachen, has increased in violence."

Grand Strategy Plan.

The timing raised the possibility of a grand strategy plan to beat the nazis by smashing simultaneously at East Prussia, heart of German militarism, while wrecking the Rhine-Ruhr valley, the center of German industry.

An Associated Press war correspondent with the British Second army said Lt. Gen. Sir Miles C. Dempsey's troops, striking swiftly after taking Venlo, had advanced about three and a half miles south toward the railroad town of Amerika. An American armored column was converging at a distance

JAPANESE DECLARE RE-ENTRY AMERICAN FORCES INTO ISLANDS

NIPPON NEWS AGENCY SAYS "REINVASION OF PHILIPPINES" BEGUN

By LEONARD MILLIMAN, Associated Press War Editor.

The long-promised American invasion of the Philippines is under way, Tokyo radio reported today. "Reinvasion of the Philippines" began Tuesday, Domel news agency said, with forces of three American commands striking at the vulnerable Central Philippines.

Tuesday was exactly two years and six months after Gen. Douglas MacArthur said, in Australia, "I came to this island and I shall return."

Domel said the invasion was supported by combined sea forces of MacArthur and Vice Adm. Raymond Spruance's Fifth fleet and land-based aircraft from China, Palau, and Morotai.

The Fifth fleet has not been mentioned heretofore as participating in current Western Pacific operations. All official American reports have named only the powerful Third fleet of Adm. William F. Halsey as conducting carrier plane warfare against the Ryukyu Islands, Formosa and the Northern Philippines since Oct. 9.

Powerful Naval Task Forces.

Powerful naval task forces and transports "invaded" Leyte Gulf on the eastern side of the Central Philippines, Tuesday (Manila time) and for two days have been shelling and bombing defense establishments, said an imperial communiqué heard by the Federal Communications Commission.

"Part of the enemy forces seem to have landed on Suluan Island" at the mouth of the gulf, an early Domel News Agency broadcast reported.

Simultaneously Manila radio announced 270 carrier borne planes, sweeping over Luzon island in four waves, bombed Manila and Clark Field's big air installations this morning.

Japanese reports that Gen. Douglas MacArthur's forces have returned to the Philippines overwhelmed allied captives of two strategic Nipponese bases and a reported three-day British air and naval bombardment of the Nicobar Islands in the Indian Ocean on Adm. Lord Louis Mountbatten's route to Singapore.

British troops captured Tiddim, southwest Burma springboard for Japan's ill-fated invasion of India last March.

U. S. amphibious forces captured Ngulu Atoll in the Western Carolines against slight resistance. Ngulu lies between recently con-

WAR REVEALS BEST EDUCATED NATIONS REVERT TO SAVAGERY*

Startling Failure of Secular Education in Germany and Japan—Revolution Impending in Training of Next Generation—Religion Essential to Truly Cultured Life

By WILLIAM T. ELLIS

One startling generalization to be drawn from the war is that secular education has failed.

Germany was conceded to be the best educated nation on earth; the fame of her scholarship was world-wide. Its influence permeated the learning of all civilization. For example, German "higher criticism" which put the scriptures of scholars in a place of authority, was largely responsible for the mood of modernism which has palsied the religious teaching of the past generation. In all grades and departments of popular education Germany has led the world.

Yet the nation's conduct during the war has been below that of stark savagery.

Similarly, Japan, which borrowed freely from the educational systems of all modern nations, has one of the highest percentages of literacy. That is how it comes to pass that Japanese soldiers receive our boys with their perfect English. Nevertheless, we know, in the light of Nankin and Hong Kong and Shanghai, and hundreds of lesser conquered communities, that the Japanese are only veneered savages, and beyond the pale of civilization.

In our own lands, also, after a generation of increased education that has been phenomenal, we are suffering widespread juvenile delinquency which is filling all thoughtful persons with alarm.

Plainly, secular education cannot do the big job. We welcome the revolution that is now under way in educational circles.

"Religious Education" Falls

During the past thirty years there has been a spread of "Religious education" in the churches, spear-headed by an organization of educators and commercial interests, which succeeded the powerful old International Sunday School Association. It brought large-scale educational standards into the church schools and paralyzed their growth. Half the State Sunday School associations went out of existence. Attendance declined to such an extent that the condition of the schools is today a grave cause of concern. Modernism, educational and theological, has failed. Paradigmatically at its peak, the Sunday School is numerically spiritually and socially at its lowest ebb for a generation.

Thus we are brought head on into the whole question of education and religion. Prof. William Lyons Phelps once said that given a choice between a college education without knowledge of the Bible, and knowledge of the Bible without a college education, he would prefer the latter.

For this Book teaches how to live in all of life's relationships. The simplest training in Sunday School makes children aware of God. It teaches them to pray. It imparts basic knowledge and inspires reverence and obedience. Scripture's great ideas for human living are wrought into the earliest structure of life.

Something to Do

To meet the world-wide collapse of secular education calls for strategy and tactics as great as any the war has imposed. In a sentence, the task is to put religion back into human relationships as the master motive power. If the dominating purpose of the majority of people is to do the will of God, then we may have peace and security and brotherhood. Nothing less than so sublime and overwhelming a motive can do the task. The Faith's tremendous program of the Kingdom of Heaven on earth postulates "Thy will be done."

As a practical step, the laymen of the land are called upon to in-

A Three Days' Cough is Your Danger Signal

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ-laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

JOHNNIE ARMSTRONG, BROTHER CORSICANA WOMEN, DIES IRENE

IRENE, Oct. 18.—Funeral services were held for Johnnie E. Armstrong, aged 83 years, Tuesday from the family residence. Burial was in the Brandon cemetery.

Born, Dec. 15, 1856, in Jasper county, Texas, Armstrong came to Hill county in 1876, locating in this community where he had since resided. He was married to Miss Anna Jane Ferguson, March 12, 1881. Mrs. Armstrong died in 1935.

Surviving are a brother, Marvin Armstrong, Amarillo; three sisters, Mesdames W. B. Barnes, Hubbard; Fannie Kyle, Irene, and J. E. Decherd, Corsicana; a half-

slater, Mrs. W. W. Gage, Corsicana, and other relatives.

Brother of Corsicana Woman Dies in Tyler

Funeral services for Roy M. Wyatt, 49, of Tyler, who died Sunday following a stroke, were held Monday afternoon at the Methodist church at Edom. Surviving are two sons, a daughter, two brothers and two sisters. One sister, Mrs. Carrie Fulton, resides in Corsicana.

Midget Mexico to Meet Villa.

WACO, Oct. 1.—(AP)—Midget Mexico instead of Manuel Villa will meet Chuck Hirst, Texas Middleweight champion, here the night of Nov. 1.

It had been first planned to match Hirst with Villa with the middleweight and Villa's welterweight titles involved.

The Ferma C. Stewarts Parents of Daughter Born Sunday Morn

Mr. and Mrs. Ferma C. Stewart announce the arrival of a daughter, Sharon Nell, at the Navarro Clinic on Sunday morning at 1:30 o'clock, weighing seven pounds and eight and one-half ounces.

Maternal grandparents of Sharon Nell are Mr. and Mrs. L. U. Cale of Fort Worth, and paternal grandparents are Mr. and Mrs. J. R. Stewart of Corsicana.

Mayor Calhoun Mala Speaker

Mayor John C. Calhoun of Corsicana was the principal speaker Tuesday night at the Wortham Civic Club banquet at Wortham. A large crowd attended the meeting.

Rice Bride-Elect Complimented Program Shower

Complimentary to Miss Betty Pritchett, bride-elect of Tech, Sgt. L. W. Brewer of Rice, Mesdames Chas. Murphy, John Bowden, N. V. Fitzgerald, Ernest Cummins, S. L. Hobbs, Jim Hayes, Otha Baldwin, Price Fitzgerald and Miss Aileen Caraway were joint hostesses for a miscellaneous shower at the Price Fitzgerald home at Rice on Saturday afternoon from 4 to 6 o'clock.

Program highlights included a toast to the bride by Mrs. Baldwin, and a mock book review, featuring the childhood, school days, character traits and courtship of the

bride and bride-groom-to-be, which was given by Mrs. L. W. Brewer, Mrs. J. N. Hawkins, Miss Aileen Caraway, and the bride, Marjorie Brewer reviewed the chapter on "A Mischievous Little Brother" and the "Happy Ending" was presented by Mrs. R. E. Bounds. "I Love You Truly" and "Let Me Call You Sweetheart" comprised the everybody-sing of the occasion, after which a hamper of handsome gifts, including china, crystal, linens, etc., was placed before the honoree by Misses Jeanette Christian and Fannie Walker and Mrs. Baldwin.

Funch and cookies were served from a lace-laid tea table adorned with marigolds and tithonias. Mrs. Sam Ballard of Dallas presided at the punch service.

Ed McCarver is recuperating following a three weeks' illness and is now able to see his friends.

Brother Corsicana And Chatfield Men Died Post, Texas

Victor Samuel Blair, 59, former resident of Chatfield, died last week at Post, Texas. It has been learned here.

Surviving are two brothers, John Blair, Corsicana officer, and Frank Blair, Chatfield; a sister, Mrs. O. R. Cook, Post and other relatives.

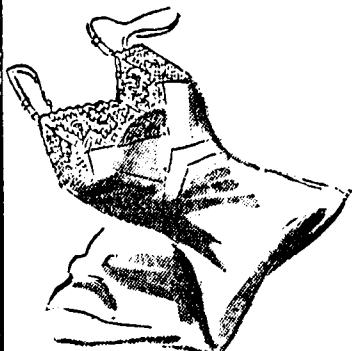

Dawson Soldier And Wife Parents of Son

Pic. and Mrs. W. J. Taylor of Dawson announce the arrival of a ten-pound baby boy, Johnnie Rufus, who was born at 7:25 p. m., Saturday, Oct. 14. Pic. Taylor is stationed at Camp Polk, La.

7.90

Straight, Diminishing Lines for New Figure Slimness!

FARMER BAPTIST CHURCH REPORTS GOOD PROGRESS

The Farmer Baptist church made a good report to the Corsicana Baptist Association last week meeting with the Blooming Grove Central Baptist church.

The report stated that there had been 14 additions to the church, seven by baptism. The Sunday school attendance has doubled, banner attendance was 76. A Baptist Training Union was organized with 53 enrolled. There was 57 present in the BTU last Sunday. Mrs. J. C. Rutherford is the general director. Some of the men are taking trailers and trucks and bringing the people to church from north of Chambers creek. Six of these have been converted and joined the church. There is an attendance of 40 or more at the Wednesday night prayer meetings. Contact has been let for new seats for the church. The Business Men's Sunday school class of the First Baptist church is donating the seats. Gifts are being received on Sunday school rooms which are needed for our growing Sunday school. The Baptist Standard is being sent to 23 families. The church makes monthly offerings to missionaries.—R. J. Fletcher, Supply Pastor.

COMPLETES MISSIONS

—Sgt. Louis A. Williams, 20, is home from England on furlough after completing the required number of bombing missions over Germany and German occupied countries. Sgt. Williams, the son of Dr. Joe B. Williams and Mrs. C. L. Williams of Corsicana, was a waist gunner on a B-17 Flying Fortress. He is a graduate of Corsicana High School.

Funeral Rites Held For Claude D. Lewis

Funeral services for Claude D. Lewis, 42, of Lamesa, Texas, were held Thursday afternoon at 2 o'clock from the First Baptist church in Kerens. Surviving are two sisters, Mrs. Bernice Maddox, Dallas, and Mrs. C. R. Auerbach, Kerens; two brothers, Jack Lewis, Kilgore, and S. Sgt. Bill Lewis, U. S. Army; step-mother, Mrs. Sallie Hope, Fullbright, Texas.

Texas University Row Be Investigated By Secretary AAUF

WASHINGTON, Oct. 19.—(AP)—The controversy between the board of regents of the University of Texas and President Homer P. Rainey, backed by the faculty, will be investigated by Ralph E. Hinestead, secretary and managing executive of the American Association of University professors.

Hinestead said "relations apparently have deteriorated" to such a point that a clarification of policy is imminent, and that he planned to meet with the regents in Houston, Oct. 27 to discuss a series of incidents, including the discharge in 1942 of three Texas U. faculty members.

Hinestead, who represents an organization with a membership of 150 including about a fourth of all junior and senior college faculty members in the country, said he was interested only in seeing that "academic freedom" is maintained at the University of Texas.

Commendation For Frost Man, Member Aircraft Carrier Unit

Harold Leonard Hawkins, Y-3-C, USN, as a member of Carrier Aircraft Service Unit Two, received a commendation recently for work accomplished by the unit. It reads as follows: "17 May 1944. Commended this date by the Commander Air Force, Pacific Fleet for the excellent performance of Carrier Aircraft Service Unit Two in serving even combatant squadrons during the period April 4 to April 30, 1944. (signed) George G. Commander, A-V (S), USNR, Commanding."

Yeoman Hawkins has been stationed in the Hawaiian Islands for 12 months and is now on his way to another southern Pacific island. Graduating from Frost high school in June, 1943, Hawkins entered the Navy on June 7, 1943. His parents, Mr. and Mrs. J. O. Hawkins, reside in Frost, Texas.

THE UNATTAINABLE

Life wisely holds for all, and each.
A goal forever out of reach;
A glimpse of better things to be
Which man far off can dimly see,
For which he'll strive, with might
And main.

But never be allowed to gain.
The task completed holds no more
The fierce enchantments of before;
The dream accomplished joins the
past.

And commonplace becomes at last.
Thus man must keep for life's long
length.
Some goal that lies beyond his
strength.

Always tomorrow's rising sun
Must shine on glory still unwon.
With hopes that time and strength
renew.
Enough some further goal to gain.
For strip from life its holy grail
And 'twould be dreary, dull and
stale.

BUILDING IS BETTER

One of the things which
most impressed Eric John-
ston in his trip to Russia
some months ago, reported
in Life Magazine, was what
he saw in Leningrad. During
the long, hard siege, when
nearly everyone was
hungry and cold, and spirits
were flagging, as the beau-
tiful old buildings of that
great city were being de-
stroyed, the mayor had an
inspired idea.

"How could it be rebuilt
into a more amazing city in
the world of tomorrow?
Prizes were offered for the
best designs. Competition
was started between dis-
tricts. Huge drawings and
blueprints began to appear
on the bulletin boards of
factories and in the head-
quarters of regimental com-
mands. City squares were to
be enlarged and made more
serviceable. New highways,
new bridges, new paintings
—all were fighting in an
epic struggle for the Len-
ingrad that would arise to-
morrow."

"The plans for the new
Leningrad," Mayor Popkov
told Johnson, "were better
than any medicine. They di-
verted human energy from
grief to prospects of grand-
eur, shifted mental outlook
from the destruction of to-
day to the reconstruction of
tomorrow." Then he uttered
the parting words: "The
mental and physical pro-
cesses of man work better
when building than when
destroying."

Those words deserve the
keenest consideration pos-
sible by all executives of the
present and the future. Re-
markably as we have waged
this war, with equal power
we can build for peace, if
once our imaginations are
aroused and our determina-
tion become fixed to work
together for a splendid fu-
ture.

AUSTRIA REBORN

Hitler's annexation of
Austria is to be cancelled.
According to intimations
from Washington it will
have a government separate
from Germany during the
occupation, and presumably
will get off more easily.
Austria will then be re-
stored to life after six years
under the Nazis. Thus one
of the oldest nations of Eu-
rope will be replaced on the
map. For centuries Austria
bore the brunt of the Turk-
ish attack, which might
otherwise have conquered
most of Europe. Her stead-
fast opposition to Napoleon
helped at last to bring about
his defeat. The qualities of
the Austrians themselves de-
serve kindly treatment. All
this the United Nations oc-
cupation will bring.

The fundamental prob-
lem will still remain: how
is Austria to survive eco-
nomically, with trade bar-
riers cutting off commerce
with her neighbors? It was
failure to solve this problem
that made many Austrians
accept annexation to Ger-
many. The problem will re-
main after Hitler's fall.

TO GET VOTERS OUT

Frank Sinatra is said to
be supporting Roosevelt,
with Bing Crosby out for
Dewey. Heads of foreign
states have often had poets
laureate and court minstrels.
Why not a national crooner
be voted on, with Sinatra
running against Crosby?
Then there would be no fur-
ther complaint of lack of in-
terest in the election.

There are too many Japs
in the world, but that error
is being rectified.

THE HOME STRETCH

Courthouse News

District Court

The jury scheduled to report for
duty Tuesday morning was ex-
cused Monday by District Judge
A. P. Mays when it became ap-
parent that jury cases set for trial
would not be taken up.
The State of Texas vs. Mike
Edwards, injunction, granted
(V. O. P. L.).
The grand jury has been called
to meet Tuesday at 10 a. m., it
was announced Thursday morn-
ing.

hon.

Sheriff's Office

Investigation is continuing by
city and county officers into the
disappearance of the Howard Cream-
ery and the Herod Filling Station
at an early hour Monday morning.
One was arrested on a swind-
ling charge, two were arrested
on their complaints and a man
adjudged of unsound mind was
conveyed to the state institution
at Terrell. One man was arrested
on a federal charge was convey-
ed to Dallas from the county jail
late Tuesday afternoon by De-
puty U. S. Marshal Rufus Pev-
house.

Justice Court

Three were fined on intoxication
charges, one for use of abusive lan-
guage, one for disturbing the peace
and two on highway regulation in-
fractions by Judge Hayden Pasch-
all.
Three were fined on highway
regulation infractions by Judge A.
B. Foster.
Two were fined on vagrancy
charges, two on affray complaints,
two on disturbing the peace
charges, one for speeding, one for
operating motor vehicle without
license and one man fined \$20 and
costs each on two theft complaints
before Judge A. E. Foster.

4-H CLUB NEWS

The Dawson 4-H club meeting
was held Oct. 17, 1944. Frankie
Nell Shaw, president, presiding.
Mary Frances Burns led the sing-
ing. The club pledge and prayer
were given, and the pledge of alle-
giance to the flag.
Roll call was answered by mem-
bers telling what they did during
the summer to help their moth-
ers. Some of the things were car-
ing for small children, washing
and drying dishes, and cleaning
house.

A very interesting program on
accessories was given by Miss Eva
Williams, assistant county agent.
Jo Ellen Smith, reporter.

15c Pound
Bring us your pecans, we want them and
pay market prices at all times.

Corsicana Poultry and Egg Co. Inc.
301 N. COMMERCE PHONE 210
"Navarro County's Leading Producer Buyers."

Mr. and Mrs. D. D. Cagle,
1021 West Eleventh avenue, have
recently received a letter from
their son, Bruce Cagle, who is
with the U. S. Army Infantry
somewhere in Europe, telling
them of his promotion to the
rank of captain. Capt. Cagle has
been overseas since October, 1943,
and has been wounded three times.
He has been awarded the Purple
Heart decoration and two Oak
Leaf Clusters.

15TH AAF IN ITALY—In ac-
tion over German skies, Second
Lt. David A. Blood, 23 son of
Mr. and Mrs. George Blood,
Corsicana, Texas, has flown over
15 combat missions against Ger-
man installations. Lt. Blood, 15th
Air Force Liberator pilot, has
seen the destruction of Nazi tar-
gets in every corner of occupied
Europe. Targets such as Vienna,
Munich and heavily defended
Beechhammer are typical assign-
ments for the Corsicana airman
who arrived in Italy in the sum-
mer of 1944. Graduate of Cor-
sicana High school, former em-
ployee of the Oil City Iron Works,
Blood entered the air forces in
August, 1942, later won his wings
after intensive training in the air.

15TH AAF IN ITALY—Captain
Lowell K. Davis, son of Mr. and
Mrs. A. C. Davis of Purdon, Tex-
as, flight commander and pilot of
a B-24 Liberator, recently flew
his 50th mission. Since arriving
overseas last April, he has partici-
pated in numerous bombing at-
tacks on enemy airbases, oil re-
fineries, railroad yards and
bridges in Germany, France, Aus-
tria, Hungary, Romania and Italy.
He has been awarded the Air
Medal and three Oak Leaf Clus-
ters for "meritorious achievement"
during aerial flights over enemy
territory. Capt. Davis entered
the service March 15, 1941, and
received his wings and commis-
sion at Mather Field, Calif., Oct.
31, 1941. He was graduated from
Texas A. and M., class of '40.

Pvt. Jack Morris, member of the
combat engineers, Ft. Lewis, Wash.
is spending a short furlough in
Corsicana with his wife and other
relatives and friends.

CPO. R. Steve Bartlett is home
on a 30-day leave after two years
duty in the Southwest and Cen-
tral Pacific. He is visiting his
wife and sisters here.

Ensign Ray O. Brooks, a navy
blimp pilot in Mexico, B-11, since
January, 1944, was recently home
on leave visiting his parents, Mr.
and Mrs. Jack Brooks of Barry.
Ensign Brooks received his com-
mission at the Lakehurst Naval
Training Station, Lakehurst, N. J.
The veteran of nine months coast-
al patrol duty in the southern
hemisphere, is now on duty at
Wheeler, N. C. Before enter-
ing the service Brooks attended
A. and M. College, and was em-
ployed by the forestry service.
He also worked on the construc-
tion of a naval base at Coeur
d'Alene, Idaho.

Pvt. H. Douglas Pollard, son
of Mrs. C. E. Pollard, 2312 Main
burg, Dallas, has completed train-
ing and has been graduated from
the Chautau Field, Ill., army air
force school. He received in-
struction in electronic and in
various technical operations vital
to the maintenance of the coun-
try's fighting planes.

Pfc. William J. Taylor of
Camp Polk, La., was home on a
week end pass Saturday, visiting
his wife, children and friends in
Dawson.

After 27 to 28 months service
with the infantry in the Asiatic Pa-
cific theater of operations, four
Corsicana men are on their way
home on rotation furlough. Eighth
Service Command headquarters at
Dallas said today. All four will

CRIMINAL DOCKET

FIFTEEN TEXANS LISTED AS WOUNDED BY WAR DEPARTMENT

WASHINGTON, Oct. 18.—(AP)—The war department made public today the names of 213 United States soldiers wounded in action in the European area, including these Texans:

Bonnet, Pfc. Luis—Mrs. Felicitas M. Lopez, mother, 1416 Ursula avenue, Laredo.
Giesecke, Capt. Leonard F.—Mrs. Jo Anna T. Giesecke, wife, 2207 Tower Drive, Austin.
Licker, Staff Sgt. Edwin L.—Mrs. Ida M. Chaney, mother, 352 East 7th street, San Angelo.
Landry, Pfc. John, Jr.—Mrs. Landry, mother, 3946 27th street, Port Arthur.
McKinney, Pvt. Karl E.—Mrs. Laura L. McKinney, mother, Box 525, Borger.
Moreno, Pfc. Angel C.—Mrs. Emma C. Moreno, mother, 809 Cotton Alley, El Paso.
Norris, Pfc. Winston E.—Mrs. Grace L. Norris, mother, Route 1, Gainesville.
Palmer, Staff Sgt. David L.—Mrs. Patricia Palmer, mother, Box 1335, El Paso.
Patterson, Pfc. T. C., Jr.—Mrs. Eva R. Patterson, wife, 1504 West 2nd, Big Spring.
Rogers, Pvt. John L.—Miss Louise Rogers, sister, San Angelo.
Sanchez, Pfc. Guadalupe M.—Teodoro Sanchez, father, Box 772, San Angelo.
Sanchez, Sgt. Jesus B. P.—Jesus B. P. Sanchez, father, 1311 Flores, Laredo.
Sandoval, Pvt. Joe J.—Mrs. Maria A. Sandoval, mother, 1901 Grant street, Laredo.
Scoggins, Pvt. Harper H.—Wallace H. Scoggins, father, Box 831, Borger.
Soli, Pvt. Ernesto M.—Mrs. Francisca E. Soli, wife, 713 Taylor street, Brownsville.

Conference Planned For Health Program

A regional conference for promoting a health program for the school child will be held at Southern Methodist University, Dallas, October 24, through 26. This conference is being held under the auspices of the Texas Interprofessional Commission on Child Development in co-operation with the state department of health. Key representatives and representatives from six teacher training institutions, public school representatives from 12 counties, and public health representatives from 12 county health units are invited to attend this conference. The purpose of this conference is to co-ordinate the efforts of public health, teacher education, and interested lay personnel in building a basic health program for the school child. The first day, Oct. 24, is for public health personnel only. Counties to be represented include Bowie, Cass, Hunt, Collin, Cooke, Grayson, Dallas, Lamar, Navarro, Smith, Upshur and Tarrant.

BUTLER SPEAKER WEDNESDAY NOON AT ROTARY CLUB

Corsicana Rotarians were called upon to add Navarro county school teachers in gaining salary raises commensurate with their teaching responsibilities when E. C. Butler, superintendent of Emory school, spoke at the Rotary Club luncheon Wednesday noon in the Navarro Hotel.

Explaining that in Navarro county 11 teachers receive less than \$700 a year, Butler informed his listeners that out of the 262 teachers in the county, 45 per cent receive less than \$1,000 per year, and 84 per cent receive less than \$1,500 a year.

"You are paying the teachers less than the cost of a hired farm hand," the speaker declared.

"Young trained and untrained women are using the teaching profession as a stepping stone to marriage; young men are using it as a stepping stone to other professions," Butler stated. "Schools teach more children than do our churches. We shall have to work together in order to gain higher salaries for our teachers," he continued.

Throwing a challenging query to the audience, the speaker asked, "If your child were ill would you take him to a young man who had one year of pre-med training? Then why should you send your child to school under a teacher with insufficient teacher's training?"

Guests at the luncheon were Congressman L. A. Johnson, J. K. Holsby, and Harold Phillips. Junior Rotarians were J. H. Justice, Bill Reed, and James Freeman. Each was presented with a gift by President John Curley on behalf of the Rotary Club. The Junior Rotarians responded by expressing their appreciation of Rotary friendship and interest in young men.

Hershel A. Daniel, U. S. Navy, Listed Missing in Action

Hershel A. Daniel, 19, 8-2c, U. S. Navy, is reported missing in action in the Pacific Theatre of Operations, according to a telegram received by his parents, Mr. and Mrs. A. A. Daniel, 1329 West Thirtieth avenue, from the navy department. No date was given in the telegram which was received Saturday. He was a gunner on a navy bombing plane. Seaman Daniels graduated from the Corsicana High school in 1942 and entered the U. S. navy on July 1, 1942. He has been overseas since May, 1944.

His wife, who was the former Miss Betty Kuhn of El Monte, Calif., lives here.

Irene School Forced Close Due Principal Leaving For Army

IRENE, Oct. 18.—T. C. Steel, president of the local school board, states that school has been forced to suspend temporarily because the principal, W. C. Herring, was leaving for the army Wednesday. Seventy-five pupils are enrolled in the Irene school and Herring's leaving left only two teachers to do the work ordinarily done by five.

PHILIPPINES

CONTINUED FROM FIRST PAGE
Gen. MacArthur had taken the most crucial step to fulfill his pledge, made two and a half years ago, to return to the Philippines.

No Confirmation.
While there was no confirmation that the Philippine invasion was at last underway, the combined Pacific sea forces of Adm. Nimitz and land-based air strength of General MacArthur have been paving the way for reconquest of the territory in ten days of unprecedented raids on Western Pacific islands for a thousand miles either side of the Philippines.

These thunderous attacks which have cost the Japanese close to 1,000 planes and hundreds of ships are still continuing, Manila radio reported. It told of 270 carrier planes striking in four waves this morning at Manila and strategic Cebu and Iloilo. The Japanese-controlled radio claimed 19 were shot down.

The unconfirmed Tokyo announcements indicated that a powerful task group of Adm. William F. Halsey's Third fleet combined with the Southwest Pacific naval forces boldly steamed into Leyte Gulf in the Central Philippines to screen an amphibious landing on Tiny Suluan Island and perhaps some of the other islands bordering the gulf.

An Ideal Spot.
The area, only 400 miles from Manila, is an ideal spot from which to establish aerial control of the islands; and completely nullify air bases that carrier planes haven't already knocked out.

It would be another repetition of MacArthur's practice of striking the Japanese where they aren't—long familiar to those who have watched his progress since March 17, 1942 when he stood on the shores of Australia 2,000 miles from the Philippines and promised: "I came through and I shall return."

If the Japanese stories are correct, MacArthur's forces returned two years and six months to the day after he made that pledge.

PACIFIC WAR

CONTINUED FROM FIRST PAGE
quered Ulithi and Southern Palau, east of the Southern Philippines. Official Tokyo's brief announcement—unconfirmed by U. S. sources—that U. S. warships and transports "invaded Leyte Gulf" did not specifically say that assault waves had landed. The task force entered the 80-mile long gulf Tuesday, the communique said, and on Wednesday the naval group opened up and carrier aircraft swooped down on Japanese defensive installations.

Japanese "navy and army" units the communique added, "are at present intercepting this enemy force." Tokyo uses this phraseology variously to describe ground fighting, aerial interception, or no defense at all.

A landing anywhere around the big Leyte Gulf, some 400 miles from Manila, would put MacArthur's forces in position for land-based air sweeps over the entire Philippines.

The enemy has six landing fields within 25 miles of the gulf on Samar and Leyte islands. Low-lying Suluan is adaptable to development as an unsinkable aircraft carrier.

Carrier planes in a week of pounding the Philippines, Formosa and the Ryukyu Islands to the north, have destroyed 915 Japanese planes and hundreds of ships. The figures do not include the toll taken in daily raids this week over the Philippines.

Adm. Chester W. Nimitz said two enemy transports were sunk, five other ships left in flames, and 11 planes destroyed Wednesday (Philippines time) over Luzon and Camiguin Islands. Manila radio claimed 33 Americans were shot down in those raids and 19 more today.

MacArthur's land-based planes sweeping the Southern Philippines and its approaches sank or damaged six enemy vessels, pounding airfields and rekindling fires at the Balikpapan oil refineries on Borneo.

In revised figures on the Formosa raids, Nimitz said 43 American planes were shot down. Tokyo claimed 112, and admitted loss of 212 imperial aircraft. Nipponese propagandists raised their claim of U. S. warship losses to 57 sunk or damaged. Nimitz didn't change his figures of none sunk and two knocked temporarily out of action.

British Capture Tiddim.
SOUTHEAST ASIA COMMAND HEADQUARTERS, Kandy, Ceylon, Oct. 19.—(AP)—British troops advancing into Western Burma have captured the Japanese base at Tiddim from which enemy forces launched their abortive invasion of India early this year, allied headquarters announced today.

By The Associated Press
Japanese radio commentators faced a task today of reconciling today's reported invasion of the Philippines by General MacArthur's forces and a series of claims concerning a "great naval victory" near Formosa which they were preparing to celebrate October 20.

Radio Tokyo asserted Monday that scores of American ships had been knocked out by Japanese naval and air forces which had delayed the "impending invasion of the Philippines by at least two months."

The invasion, the high command said today, started just one day later.
Philippines Broadcast.
SAN FRANCISCO, Oct. 19.—(AP)—A Tokyo radio broadcast, picked up by the Blue network here shortly after 10 a. m., Pacific War Time, today, quoted a Japanese imperial communique as reporting American attempts to land on Leyte Island, Central Philippines.

The broadcast said "Leyte, where the enemy has started landing attempts, is between Mindanao and Luzon Islands."

Jap Special Communique.
LONDON, Oct. 19.—(AP)—Japanese imperial headquarters announced today in a special communique that an American fleet, Chrysanthemums and other potted plants. Give us your orders. Open all hours for your convenience. Flowers by Wire.

including warships and transports, had invaded Leyte Gulf in the Central Philippines and was bombarding the shore—presumably in preparation for landing operations fulfilling Gen. Douglas MacArthur's pledge to return to the islands.
The bulletin, broadcast by the Tokyo radio, declared that Japanese land and sea forces were striking back at the invading arm-

POLITICS

CONTINUED FROM FIRST PAGE
before the American people. It is, after victory, to win the peace and undergird it. And only one candidate, "President Roosevelt," by his record and forthright consistent pledges, can be trusted to win this goal.

Also on the Herald Tribune Forum were Rep. Clare Boothe Luce (R-Conn.) and Helen Gahagan Douglas, Democratic candidate in California for a seat in the U. S. house of representatives. Mrs. Luce spoke of the need of working constantly to maintain peace and said Dewey has "clearly grasped this courageous concept of waging peace." Mrs. Douglas stressed the need of international co-operation in "this rapidly shrinking world" and continued: "Franklin Roosevelt has long understood this philosophy. He fought for it with all the strength of his magnificent heart."

In Chicago Rep. Dirksen (R-Ill.) said in a radio speech that "Mr. Churchill has now found that, instead of being a good horse trader, Mr. Roosevelt is a push-over, and Mr. Stalin has found that

out too. That's why Mr. Stalin is for a fourth term for Roosevelt."

Truman and Bricker. The vice presidential nominees, Democrat Harry S. Truman and Republican John W. Bricker, for the time being stressed matters other than foreign policy. Truman told an Eugene, Ore., crowd that Dewey traveled to the Pacific Northwest "posing as a liberal, then goes East to tell the Old Guard he is going to repeal all the liberal laws."

Bricker, in a Los Angeles speech, said that the war is being won "often in spite of the New Deal," attacked Truman as "one who is the product of the corrupt Pennington machine, which preyed upon the people of Kansas City, which stole elections and perverted justice." Bricker was cheered so much by the crowd that he responded with an encore.

Alleges PAC Threat. Moving on to Bakersfield today, the Ohio governor said he had been informed that agents of the Political Action Committee had launched a "campaign of threats and intimidation" among industrial workers to line up votes for the New Deal. "To those x x x who have been approached in this manner," his advance text said, "I want to give this assurance: We still have a secret ballot in this country."

Dedication Mission Home and Training School Is Planned

SAN ANTONIO, Oct. 19.—(AP)—Dedication of the Texas Mission Home and Training School will be one of the major events of today's general session of the Southwest Texas annual conference of the Methodist church. The 86th annual conference opened here yesterday. Over 2,400 delegates and visitors are attending.

Miss Ruth Nowlin, missionary from China, and Dr. Marshall T. Steel of Dallas will speak during sessions today.

"We can achieve a better world by throwing off the shackles of power politics, economic imperialism and military alliances," Dr. Albert E. Day told delegates yesterday.

Dean E. B. Hawk of Southern Methodist University, Dallas, spoke on the increased facilities of the University and Dr. J. N. R. Score, president of Southwestern University, Georgetown, reported on the progress there.

IN ENGLAND—T-Sgt. Clyde Bickelstaff, U. S. Army Air Forces, radio-gunner, is now stationed in England according to information received by his mother, Mrs. Lula Bickelstaff of Dallas, formerly of Corsicana. Sgt. Bickelstaff was heard in a broadcast from England last Sunday. The radio-gunner was a reporter with the Corsicana Daily Sun when he enlisted in the armed forces several years ago.

Returned to Corsicana. D. W. Hutson is back in Corsicana after being employed in Houston the past two years. Hutson received a leg injury while at work in the Houston shipyards about three months ago and has not been employed at the defense plant since that time.

TEXAS POLITICS

CONTINUED FROM FIRST PAGE
ing in Houston Sunday—a meeting which brought the Republican decision to turn its back on the Texas Republic.

Pro-Roosevelt Rally
Pro-Roosevelt Texas Democrats planned a star-studded rally in Wichita Falls tonight to open their battle for votes. Gov. Robert S. Kerr of Oklahoma and Speaker Sam Rayburn of Bonham topped a cast of Congressmen and political leaders from two states.

Rayburn will speak first, introducing Gov. Kerr, whose 30-minute address is scheduled to be broadcast over a Bi-State radio hookup.

Others present at the rally, headed by Col. W. T. Knight, chairman of the Texas Business and Professional Men's Democratic League, to "assure the Roosevelt-Truman ticket a maximum Democratic vote from this section, will be Congressman Wright Patman, Lyndon Johnson, Lindley Beekworth, Ed Gurnett and Tom Tamm, Harry Seay, Dallas, and Harrington Wimberly, Altus, Okla., State Democratic chairman of Texas and Oklahoma, Myron Blalock of Marshall, Democratic National committeeman, and former Governor James V. Allred.

First Interest
At Longview last night, Horace Blalock of Marshall, a Presidential elector nominee of the Texas Regulars and campaign manager for the party, said "we are first of all interested in defeating Roosevelt and his Communist masters."

In a radio address, Blalock declared "we prefer to do it with a Democrat but if our course results in the election of Dewey, we feel that this is more to be desired than to have four more years of administration under the influence of Sidney Hillman, Earl Browder and Felix Frankfurter."

On other political fronts were these developments:

Sen. Tom Connally (D-Tex.) arrived in Marlin for a brief rest before he speaks at two state Democratic rallies. He predicted the Roosevelt-Truman ticket would carry Texas by a heavy majority.

Luther Johnson Makes Charges
Rep. Luther A. Johnson (D-Tex.) in Corsicana charged that Republicans had blocked every possible preparedness before Pearl Harbor and said he believed if the arms embargo act had been repealed sooner Hitler "may not have started the war."

James A. Crenshaw, state Republican speaker, bureau chairman, said in Dallas that Col. Alvin M. Owsley, former minister to Elie in the Roosevelt administration, would make four major Republican rally addresses in Texas.

A "Democrat + Dewey" club was formed in Bexar county to work with the Dewey-Bricker club but not to be officially connected with it, Al Buchanan, San Antonio oil man, said yesterday.

Governor Endorses Two Amendments

STAN, Oct. 19.—(AP)—Two proposed constitutional amendments which voters will pass upon in the Nov. 7 general election today were endorsed by Gov. Coke R. Stevenson.

The governor, at a press conference, said he thought county governments would find very helpful the amendment permitting them to re-allocate, upon approval of property owners tax payers, the property tax rates within the present maximum of 80 cents per \$100 valuation.

It was his opinion this proposal would be especially beneficial in financing postwar construction.

The governor also approved a second amendment which would permit towns and cities to set up pension and disability benefit systems for municipal employees.

Parking Meter Receipts
Receipts from parking meters this week amounted to \$244.50, according to figures received from the office of J. P. Welch, city secretary, as compared with \$258 the previous week, a \$3.50 reduction.

CONTINUED FROM FIRST PAGE
Russian Jewish general, Ivan D. Cherniakovsky, was aimed at Interburg major Prussian rail center. The battle was reported as a 30-mile front from Schirwindt to Kalvarija in Lithuania.

Russians Advance Through Carpathians

By DANIEL DE LUCE
MOSCOW, Oct. 19.—(AP)—Swift Russian advances through the Carpathian mountains have liberated one-third of the Carpatho-Ukraine, easternmost province of Czechoslovakia, and established virtually a solid front for the Red army across the wedge of high ground between the Polish and Hungarian plains.

Moscow announced today that Col. Gen. D. Petrov's Fourth Ukrainian command, pouring through gaps left in enemy defenses by Hungary's military collapse, had dealt stunning blows to German positions in the rich Danubian basin.

The high command disclosed that Russian troops had captured seven important Carpathian passes in advances ranging from 1 21-2 miles to 31 miles along a 170-mile front.

It also was disclosed that Russian and Romanian forces under Marshal Rodion Y. Malinovsky, commander of the Second Ukrainian army, have been fighting near Sighet for two days after a drive northward through Transylvania.

Destruction of the enemy's Carpathian line after a month long struggle costing heavily in blood overshadowed other important successes of the eastern front.

Front dispatches said the mop-up of Belgrade was progressing steadily, with Germans fighting

and dying like wild animals in blazing hillside buildings from which they could not escape.

Southeast of Belgrade elements of at least two German divisions were reported surrounded by Russian and Yugoslav partisan forces. Bulgarian troops spearheaded an all-Slavic drive across the width of Serbia which has now reached Kursunlija, 40 air miles west of Nis, and only 130 miles from the Adriatic sea.

For the seventh day there was no official news of the Red army's crucial battle at the approaches to Budapest. There was the possibility Hungarian forces loyal to regent Nicholas Horthy may be regrouping for combined action against the Nazis with the Russians.

A new defeat was inflicted on the remnants of the German army in western Latvia as Russians crossed the Lielupe river between Jelgava and the Baltic, Moscow said.

The Russians remained silent on the offensive operations against East Prussia, either from Lithuania or northern Poland, which have been reported by Berlin.

HURRICANE

CONTINUED FROM FIRST PAGE

400 persons and sank at least three small vessels in Cuba.

The storm swung around Key West last night, moved up the Florida West Coast and turned inland just East of Tampa. Winds up to 100 miles an hour caused some property damage in the Tampa area and the city was warned to expect another hard blow later today. St. Petersburg came through with no heavy damage reported.

Lashes Florida Keys

The hurricane gave the Florida keys a several lashing as it moved into the Gulf from Cuba, but the city of Key West, which earlier expected to feel the full force

of the storm, apparently suffered no serious damage.

Seven persons were known dead, more than 300 injured and property damage was heavy in western Cuba after the storm battered the Havana area for more than five hours. Government officials said it would be days before the full toll would be known.

In Florida, residents of the thickly populated beaches at Bradenton and Sarasota moved inland and more than two score families sought refuge in schools and churches. Extra keepers were ordered on duty at the winter quarters of the Ringling Brothers Barnum and Endley Circus at Sarasota to attend the big herd of elephants in their steel cages.

The entire Florida peninsula was alerted against strong gales, and hurricane warnings were extended into South Georgia.

Virtually all of Havana was left without electric power as a result of the terrific winds which struck there. Store fronts in the Cuban capital were smashed, insecure buildings crushed. The presidential palace, the American embassy and other buildings were flooded when debris smashed windows and wind prevented repairs.

Property damage in Havana alone was estimated at several hundred thousand dollars and government officials expressed fear that other communities suffered even heavier casualties and damage.

In a six a.m. bulletin, the weather bureau said that the storm is centered over St. Petersburg and Tampa and that both cities report winds of 100 miles per hour.

The storm is continuing to move northward.

Accidentally Shoots Self, Richard Jennings, 36-year old senior in Kerens High school, son of Mr. and Mrs. Fred Jennings, accidentally shot himself through the foot Sunday night while handling a 22 calibre rifle.

Warrant Officer John W. Read And Bride Visit City

Warrant Officer John W. Read, Jr., and bride, the former Mrs. Ernestine Williamson of Tyler, and Dallas, arrived last week to spend a few days in the home of the bridegroom's father, John W. Read, Sr., and sister, Miss Vaudie Read. Warrant Officer Read recently arrived in the United States for a 30-day leave, after having served in the Southwest Pacific area for the past two years.

The couple were united in marriage at the Cliff Temple Baptist church, Dallas, on Tuesday, Oct. 10. They left for Tyler on Sunday to be with her mother, and with his brother, L. E. Read, who also resides in that city, for a few days prior to their departure for the West Coast.

Soldier and Wife Parents Baby Boy

Sgt. and Mrs. William Nathan Tackett announce the arrival of an eight pound baby boy, born Oct. 12 in Houston. Sgt. Tackett is stationed in Florida. Mrs. Tackett is from Richmond, but plans to make her home in Corsicana soon.

Former Resident Of Frost Died Plainview

J. F. Bryant, a former resident of Frost, passed away at his home in Plainview, according to a message received here by his sister-in-law, Mrs. Bertha Dew.

Lieut. and Mrs. Robert Ned Brownlee have returned to Camp Hood following a week-end visit with Lieut. Brownlee's parents, Mr. and Mrs. C. J. Brown.

Texans Included In Latest Casualty List

WASHINGTON, Oct. 19.—(AP)—The war department has made public the names of 178 U. S. soldiers wounded in action, including the following Texans:

European Area.
Ayala, Pvt. Eduardo —Mrs. Cresencia V. Ayala, wife, 608 C. Ursula avenue, Laredo.
Harmon, Staff Sgt. Millard O. —Mrs. Dorothy M. Harmon, wife, 220 North Grand avenue, Sherman.
Hughes, Staff Sgt. Slaton O. —Mrs. Margaret R. Hughes, mother, Box 361, Borger.
Morris, Pvt. W. L. —Mrs. Lula Morris, mother, Box 117, Pampa.
Newton, Pfc. David A. —Mrs. Bertha E. Newton, mother, 407 Highland, Denton.
Villalon, Pvt. Manuel —Mrs. Victoria A. Villalon, mother, 1217 16th street, Brownsville.

The Roger Carrolls To Be Honored At Blooming Grove Picnic

Mrs. C. R. Lloyd of Kerens, Mrs. E. D. Bonner of Corsicana, Mrs. J. Sewell, Mrs. W. E. Huffstutler, and Mrs. Ed Carroll of Blooming Grove, and Mr. and Mrs. Roger Carroll of Hollywood, Calif., were guests of Mr. and Mrs. Walter Pevehouse in Blooming Grove Tuesday. Mr. and Mrs. Roger Carroll are the parents of Georgia Carroll, motion picture actress, radio singer and wife of Kay Kyser.

A picnic-dinner and family reunion of Pevehouse and Carroll families is to be held at the stadium in Blooming Grove Sunday in honor of Mr. and Mrs. Carroll.

Mrs. Clark Hardison and Mrs. Ralph Stell were Dallas visitors on Wednesday.

WEST FRONT

CONTINUED FROM FIRST PAGE

of five miles upon the same objective from the east.

The Germans had been eliminated from all but seven square miles of territory west of the Maas, and the allies were within 33 miles of Duisburg in the Ruhr.

Berlin Reports.
Berlin said Dempsey had concentrated strong forces in the area to annihilate the Germans' Maas bridgehead—an objective which would straighten the line along the Dutch border in preparation for an allied cross-river assault.

In a desperate effort to avoid being trapped on the west bank, the Germans apparently were falling back to the south toward Venlo as their comrades in the Venray Amerika area were pushed back.

Gen. Dwight D. Eisenhower's communique, officially reporting the seizure of the rail and road town of Venray, seven miles from the German border, said that allied forces had advanced two miles south of the Venray-Duorne road and gains had been made from the west along the north side of the railway east of Duorne.

Bitter Fighting.
The German report on this sector

said that bitter hand-to-hand fighting was taking place east and northeast of Helmond, which the enemy has acknowledged evacuating. Helmond is five miles west of Duorne.

Inside shell-ripped Aachen the end appeared in sight.

The allied communique, however, said that the Nazi garrison was resisting stubbornly, and placed the center of the fighting in the northwest section.

From the Berlin radio came a report that the Americans had

reached the main Aachen station and were pushing on toward the heart of the city.

In the Vosges foothills, Eisenhower reported that allied positions had been "consolidated and improved" at several points despite stubborn enemy resistance and "vain" counter attacks.

Miss Estelle McClung, Mrs. Gerold McClung and Mrs. Thos. McClure were luncheon guests of Mrs. J. W. McCammon at Kinsloe House on Wednesday.

How We Can Lick The New Deal IN TEXAS

There are 550,000—or More—anti-Roosevelt Voters in Texas—Enough to WIN!

How Can We Make Our Votes Count?

THE WRONG WAY-

Some say, "Let's all vote Republican." But all will not vote Republican. Here's what happens then:

40,000 "Died-in-the-wool" Republicans
100,000 Independents, no party label
150,000 Fightin' mad Democrats
290,000 TOTAL—NOT ENOUGH!

Too many of us were born and reared Democrats. If you were a state or county official, elected by the Democratic Party, you certainly wouldn't vote Republican. Neither would your family or friends. But plenty of them want to clean house in the Democratic Party!

THE RIGHT WAY!

The better way—join the Texas Regulars! (The real Democrats.) Here's what happens then:

40,000 "Died-in-the-wool" Republicans
100,000 Independents, no party label
150,000 Fightin' mad Democrats
240,000 Serious anti-New Deal Democrats
550,000 TOTAL—ENOUGH TO WIN!

Good Republicans who study these figures will agree, and join the TEXAS REGULARS on election day.

Democrats—it's time to FUMIGATE!

Can it be a DEMOCRAT Supreme Court that last spring threw open Texas DEMOCRAT primaries to negroes? Can it be a DEMOCRAT administration that brought forth the infamous F.E.P.C.—that forces war plants to throw negroes and whites together at work, at lunch, in common toilets? Can it be a DEMOCRAT first lady who has openly suggested the blending of white and negro blood?

Think, Democrats! The Democratic party WAS the Party of the SOUTH! Will you stand by while the South is sold down the river for the Harlem negro vote? Will you see that great old party your Grand-daddy fought for, and your father proudly handed down to you—taken over by communists and labor racketeers? By Sidney Hillman—who never has been a Democrat? He's a registered member of the communist American "Labor" party in New York! Hillman—spending millions to get control—millions grabbed from the wages of honest

laboring men! And will you let those Bureau Caesars run us the rest of our lives?

Democrats, it's time to disinfect the Democratic Party! The New Deal MUST BE STOPPED! It CAN be stopped—IN TEXAS! By voting Republican? No. Look at the figures above. And remember, all the votes all over the U. S. don't go into one big pot—we vote BY STATES! Every Republican vote in Texas November 7th will be a wasted vote! Thinking Republicans will see this—ask them. And—it will be a close election. The electoral votes of Texas may decide it!

United, we win! Divided, we fail. Every last vote will be needed. But we CAN win! The New Deal CAN BE STOPPED—IN TEXAS!

And if you wish to contribute to this great cause, get it to your county chairman TODAY! There's not an hour to lose!

Work for — Vote for — Be for —

YOUNG FORT WORTH EX-CONVICT DIES BY HIS OWN HAND

FORT WORTH, Oct. 19.—(AP)—Justice of the Peace Frank Hurley today said that Tommy Glenn Forehand, 23-year-old ex-convict, chose death by his own hand—a fate predicted by his mother—when officers cornered him downtown last night, four hours after his father, Stanley N. Forehand, 43, was shot twice in the back in front of the Forehand's Polytechnic residence.

Young Forehand died at 4:45 a. m. today in City County hospital. His father is reported in a critical condition at the same institution.

Young Forehand, who has served terms at Huntsville and Leavenworth, FBI records show, was slated to be tried Wednesday in connection with the \$900 robbery of a cleaning establishment during the summer. He failed to appear.

Detective Chief Grant recounted today that Mrs. Stanley N. Forehand predicted her son's fate last night while detailing her eyewitness account of the shooting of the youth's father.

Justice Hurley said young Forehand fired the last bullet in his own head as officers approached him from all sides in front of a theater.

Katy Jewel Watkins And Pvt. C. F. Payne Marry At Emhouse

Miss Katy Jewel Watkins, daughter of Mr. and Mrs. G. W. Watkins, and Pvt. Charles F. Payne, son of Mr. B. F. Payne, exchanged marriage vows in the Emhouse First Baptist church Wednesday at 8:30 p. m. The Rev. Jack Goff read the double ring ceremony.

Altar decorations were pink roses. Mrs. George A. Watkins of Denver, Colo., was matron of honor, and Henry Clayton McMillis served the bridegroom as best man.

The wedding party entered the church sanctuary to the opening strains of Wagner's Bridal Chorus from Lohengrin. Mendelssohn's Wedding March was used as the recessional. Mrs. Edna Freeman was at the organ.

Bridal Costume. Gowned in ivory slipper satin ruffled with long torso bodice and sweetheart neckline, the bride was given in marriage by her father. Her long, fitted sleeves tapered into points over her hands and closed at the wrist with miniature buttons. A voluminous train was formed by the full skirt swept from the bodice in shimmering folds. A tulle of pearl orange blossoms held in place her veil of imported bridal illusion. The bride's only ornament was a single strand of pearls and a fan-shaped bouquet of white gardenias surrounded by white gladioli and ivory satin ribbons.

Following the ceremony, a reception was held in the home of the bride's parents. A two-tiered satin-iced wedding cake topped with a miniature bride and bridegroom served as center piece on the bride's table, which was laid with a lace cloth highlighted by satin ivory bow knots.

When Pvt. and Mrs. Payne left for a wedding trip to Dallas, the bride was wearing a smart suit of cerise gabardine with blue accessories.

DECORATED.—Lt. Col. Richard D. Neece Jr., P-51 Mustang Squadron commander, is pictured above as General Anderson presented him with the Distinguished Flying Cross at an Eighth Air Force flight station in England. Col. Neece also holder of the Air Medal with three Oak Leaf Clusters, was recently credited with destroying one Junkers-88 bomber and damage to another in strafing attacks on two enemy air fields. A former resident of Corsicana, Col. Neece is the son of Mr. and Mrs. Richard D. Neece, Sr., Glendale, Calif. His wife, Mrs. Altanell Neece and their daughter Elizabeth Ann, reside at El Paso. A graduate of the Texas College of Mines he entered the service in April 1941. Col. Neece is expected home shortly on leave.

Social Revue

Mrs. Harvey C. Gisell has assumed her new secretarial duties at the Corsicana Chamber of Commerce. Her husband, former flight instructor at Corsicana Field, is taking special courses at A. and M. College.

First Sgt. Leah Beth Mitchell of the Woman's Army Corps has arrived from Dow Field, Bangor, Maine, for a visit in the home of her mother, Mrs. R. B. Mitchell, Corp. Horace B. Moore of Dulac, La., who has recently returned from two and one-half years in the South Pacific, is also a guest in the Mitchell home.

Mrs. Bell Schitoskey, accompanied by her daughter, Mrs. Marjorie Haney, and her grandson, Steve Haney, left Monday for Dickinson, N. D., to visit Sgt. Francis Schitoskey, and family. Sgt. Schitoskey is the son of Mrs. Bell Schitoskey.

Pfc. Tom McPherson has received an overseas assignment to the European sector of war, and Pfc. Frank McPherson has been sent to the South Pacific, according to messages received by their mother, Mrs. F. E. McPherson.

Sgt. and Mrs. Hugh M. Parrish, Jr., have returned to Camp Butner, N. C., after spending a 10-day furlough with his parents, Mr. and Mrs. Hugh M. Parrish, Sr., Route 2, Corsicana.

Lieut. and Mrs. A. A. Curry are now at home at 15 Highland avenue, Polyoke. Miss Mrs. Curry was the former Miss Maglietta Foust of Corsicana.

WFA Policy One Of Relaxing Controls
CHICAGO, Oct. 19.—(AP)—Leo Marshall, director of distribution of the War Food Administration, said today that the WFA's policy is to relax war controls and orders "as quickly as possible," and that the government "doesn't intend to buy or hold food any longer than is absolutely necessary."

"We want to see regular commercial distribution facilities operated in a normal fashion just as soon as possible," Marshall said in a prepared address to the National Association of Food Chains. "To this end we intend to keep only those war food orders in effect where war needs require."

Asserting that 48 of the 121 food distribution orders issued since early last year have been revoked, Marshall said "we will continue the policy of cancelling set-asides and other war orders just as soon as the objectives for which they were created have been reached."

The Pythian Sisters will meet in regular session at K. P. Hall tonight at 7:30 o'clock, after which a social hour will be held.

Now is Best Time To Control Peach Tree Borers

The best time to control peach tree borers in North Texas is from now until the end of October, says Vers Sneed, County Home Demonstration Agent. The point is that the control treatment should be applied before the temperature drops below 65 degrees and remains there for several days.

PDB (para-di-benzene crystals) is the material most commonly used for control. The quantities are one ounce for each mature tree; one and one-half ounces for extremely large trees, and one-half to three-fourths of an ounce for immature trees. Before applying, however, the crystals should be crushed to about the size of sugar grains.

All grass and weeds should be removed to a distance of three to four inches from the tree trunk. If the borers are visible above ground, the soil line should be built up above where they are working. Apply the crystals in a one-inch band, one to one and one-half inches from the trunk and cover them with a few shovelful of dirt, which should be well packed. The soil, however, should be fairly dry. The mound and crystals may be removed from the tree in about four weeks.

Treatment for the lesser peach tree borer, which works in the upper part of the trunk and the scaffold branches, may be given at the same time. Dissolve one pound of PDB crystals in one half gallon of crude cottonseed or linseed oil and paint the infected parts, only, with a small brush after removing the exuding gum and frass.

CHRISTIAN CHINESE CONTINUE TO HOLD SERVICES IN HOMES
SAN ANTONIO, Oct. 19.—(AP)—Miss Mabel Ruth Nowlin, returned missionary from China, told delegates to the 86th annual meeting of the Southwest Texas conference of the Methodist church today, that despite the fact the Japanese had taken over the churches to be used as barracks, Christian Chinese have kept religion alive by holding services in their homes.

Miss Nowlin was in Chungking from 1918 to May, 1944. She refuted what she called rumors that the Chiang Kai-Shek were estranged and that the famous First Lady of China had fled to this country as a result. "It is a stab in the back to say that Madame Chiang Kai-Shek has found refuge in this country. The rumor originated in Tokyo. Marriage has been a sacrament and a sacred relation to the Generalissimo and his wife for 17 years," she declared.

A memorial service for those who have died during the past year was conducted by Bishop A. Frank Smith of Houston.

Messrs. High and Campbell are now running the livery stable on Collin street, having bought out the interest of J. M. Wiley. They are enterprising gentlemen and intend to keep it up to the highest standards as a livery and feed stable.

The Literary Society met at the court house on Saturday night with J. P. Stout in the chair. The question that "the pulpit affords a greater field for eloquence than the bar" was discussed by Messrs. A. B. Lee, and R. R. Gowan, and Phanoir P. Powell and W. J. Gibbs, and the affirmative won.

Three Corsicana Girls Pledge TSCW Clubs For Year
DENTON, Texas, (Sp1)—Two hundred and nineteen pledges to social and literary clubs on the Texas State College for Women campus, including three from Corsicana, have ended a week of informal initiation and are now considered in the ranks of active members.

Students from Corsicana pledging clubs are: Ruth Garner, Philomathis Club; Glennie Sue Bressie, Dellian Club; Alibeth Whitten, James H. Lowry Club.

SOMEWHERE IN ITALY.—Pvt. Cecil Franklin Overby, 10, U. S. Army, Infantry is shown above in a picture that was taken somewhere in Italy. Entering the service in July 1942, he has been overseas since Nov. 1942. He is the son of Mrs. Lula P. Bickerstaff, 2823 Pansey avenue, Dallas, former Corsicana resident.

Corsicana In The Spring Of 1882

Gardening is now fashionable.

Trains are once more on time. The street crossings are again passable.

Will the City Council give us a water system? By their "works" we will know them.

Corsicana is to have a city park and a rack track. Corsicana is a good and thriving town and can afford some luxuries.

At a recent meeting of the County Commissioners, the County Judge was authorized to contract with a physician and druggist for medical attention to county patients for one year.

The young lawyers of the Corsicana bar have organized a debating society which gives promise of being interesting and profitable. Officers include John D. Lee, president; R. S. Neblett, vice-president, and A. Nash, secretary. The society has a membership of fourteen.

The Corsicana Jockey Club has purchased the old race course and will give their opening race on March 28th. Officers of the club are James Garitty, president; John R. Gibson, vice president; J. I. Autry, secretary, and J. W. Milton, treasurer. \$3,000 in premiums will be offered.

Rev. Mr. Linn of the Episcopal church has organized a society known as St. John's Guild. One great element of success consists in being able to find something for each member of the church to do. The object of the Guild is to promote this.

Messrs. High and Campbell are now running the livery stable on Collin street, having bought out the interest of J. M. Wiley. They are enterprising gentlemen and intend to keep it up to the highest standards as a livery and feed stable.

The Literary Society met at the court house on Saturday night with J. P. Stout in the chair. The question that "the pulpit affords a greater field for eloquence than the bar" was discussed by Messrs. A. B. Lee, and R. R. Gowan, and Phanoir P. Powell and W. J. Gibbs, and the affirmative won.

PLANS FOR POST-WAR RIVERS AND HARBORS DEVELOPMENT GIVEN

HOUSTON, Oct. 19.—(AP)—Plans for post-war development of rivers and harbors, together with a nationwide flood control program that will total \$113,459,100 in Texas alone together with \$210,717,000 for continuing flood control work on the lower Mississippi, were presented by speakers addressing a special conference on waterways which began here today.

The current sweep of war all but obscures peacetime objectives, Maj. Gen. Eugene Reybold, chief of army engineers at Washington, told the group of some 300 representatives of ports, shipping, engineers, and government officials gathered for the one-day conference.

The conference was called by the Intracoastal Canal Association of Louisiana and Texas, and was presided over by Col. C. S. E. Holland, president.

Flood control, channel development, port facilities, increasing of the depth to a minimum of 34 feet to Houston and making the width 400 feet of Baytown, 350 feet to Boggy Bayou, 300 feet to Fidelity Island, and 250 feet to Houston, together with such off-channel siting basins as the chief of army engineers may consider advisable.

Intracoastal Canal. It also provides for work in the channel to Corpus Christi, extension of the Intracoastal Canal from Houston to the Valley with a minimum of 12 feet depth and 12 feet width; work on the Sabine-echee waterway at Beaumont and Port Arthur; Clear Creek and Clear Lake; Chocolate and Bastrop Bayous; Iavaca and Navidad rivers; and channel deepening and turning basin development at Brazos Island harbor near Brownsville.

Flood control work contemplated includes work on the Colorado and Brazos River basins, with the Concho river and Pecan Bayou coming in for a large share of the Colorado River basin work, and included in that of the Brazos.

Of the Intracoastal Canal, Gen. Reybold said, "between the end of the last war and the beginning of this one, the nation invested approximately \$31,000,000 in its improvements and maintenance. This channel carried less than 175,000 tons of freight during 1917, but it carried over 22,000 tons in 1943, or better than a 100-fold increase."

Flood control was a natural development from development of waterways and harbors, he said. This meant storing surplus water during periods of excess flow to prevent flood damage and so the water thus stored could be used for navigation.

Texas projects in the rivers and harbors bill now pending before Congress include work on the Neches and Angelina Rivers, the Lavon reservoir on the East Fork of the Trinity, increasing width of the Houston ship channel, work on the Guadalupe River, and the completion of the Whitney reservoir in the Brazos River basin, as well as a \$32,000,000 program of water-flow control and navigation in the Trinity River basin, he pointed out.

Its purpose is to speed action on the pending bills for flood control and waterway development so they may be disposed of before this session of Congress ends.

Charge of sectionalism and opposition of special interests were hurled into the meeting and the speakers were freely named as attempting to block waterway development.

Lieut. Gottlieb and Miss Jewel Kroll Married In Waco
The marriage of Lieut. Sidney Gottlieb, son of Mr. and Mrs. Sol Gottlieb, and Miss Jewel Kroll, daughter of Mr. and Mrs. J. Kroll of Marlin, was solemnized at the home of Major and Mrs. Ellihu Levy in Waco on Sunday afternoon at 4 o'clock, with Rabbi Macht officiating.

Following a wedding trip to New Orleans, Lieut. and Mrs. Gottlieb will be at home at Camp Polk, La. Out-of-town guests at the wedding included Mr. and Mrs. Sol Gottlieb, parents of the bridegroom; Mr. and Mrs. M. L. Dyche, Mrs. Max Rosenblum and daughter, Joyce Ann, Mrs. Jay Davis, Sidney Miller, Mrs. P. Samuels, Aaron Samuels, Mrs. E. E. Gilcrease and Mrs. Bob Gilcrease of Houston.

MEET IN PACIFIC.—Serving aboard a Coast Guard-manned LST in the Pacific Coast, Guardsman Ethel Vest, a veteran of the Saltpan landings, recently met his brother Henry, whom he hadn't seen since late in 1943. Henry joined the Navy six months ago. The brothers' parents are Mr. and Mrs. H. R. Vest of Corsicana, Texas.

SUPERFORTRESS MONSOON MINNIE HAD TOUGH TIME

AN ADVANCED U. S. 13TH AIR FORCE BASE IN CHINA, Oct. 17.—(Delayed)—An exploding shell fired in the height of an attack by three Japanese fighters wounded two crew members of the Superfortress "Monsoon Minnie", but the big plane landed just inside Free China this afternoon after bombing Formosa.

On the way back, however, the right waist gunner was blown out of the plane high over the China Sea when his plexiglass bulge was broken. His parachute opened and the crew saw him later floating on the water in his Mae West lifebelt. The exploding shell slightly wounded Radio Operator Tech. Sgt. Royal Y. Klaver, 24, of Marquette, Mich., and the navigator, Lt. Ralph S. Weinberg, 26, of Philadelphia.

The shell pierced the flight compartment a few inches from the left ear of Co-Pilot Capt. Deater McGregor, 27, of Route 5, Wichita Falls, Texas.

The plane's armor plate was shattered near the pilot. Maj. Robert E. Moss, 25, of New York City. The co-pilot, pilot and engineer as well as the bombardier-navigator, were not touched.

All Happening at Once. "Things were all happening at once," said Maj. Moss. "I was pretty busy. The sudden loss of pressurization made the air fog for a moment, like light smoke. We all started grabbing for oxygen masks. Most of us had them hanging around our necks. All the guns had been going. I saw fighters coming for us head-on and pass. We kept in formation. I don't know how many fighters in all attacked the formation, but three of them made a coordinated attack on us."

A runner scored hits which downed one Japanese plane during a 15-minute running fight. This was the eighth mission for the Monsoon Minnie and the seventh for her crew. A substitute crew took her on one mission.

Now a little Japanese flag denoting a fighter downed may be painted on her nose near the eight red bomb symbols denoting the number of mission, and the red high-humped camels marking the

REPORTS WEDNESDAY LUNCHEON INSIDE ENLARGEMENT WORK

Reports of the Inside Enlargement Campaign under way this week in the Corsicana Baptist association were given at the luncheon held at the First Baptist church Wednesday noon. Reports were received from all of the 20 co-operating churches.

There were 23 out-of-county workers present. The principal addresses were given by Dr. W. P. Phillips, Nashville, Southern Baptist convention Sunday School Board; Dr. G. S. Hopkins, Dallas, Texas Sunday School director, and Dr. Sidney Burnett, Nashville. The campaign is seeking to enlist all members of Baptist churches in the Sunday School work. This is the first similar effort in Southern Baptist history and it successful, will be carried out throughout the South.

round trips across the hump from India with cargo.

Mrs. Ross Dickey has been visiting in the home of Mrs. Leslie Wareing and Mrs. Paul Breuchner on route from Beaumont to her new home in El Paso.

Mr. and Mrs. Robert W. Annason have returned to Orange following a week-end visit in the home of Mrs. Annason's mother, Mrs. W. A. Mowlam.

Reunion Of Couch Family Held In City Park on Last Sunday

A Couch family reunion was held Sunday, Oct. 15, in the Corsicana City Park. Lunch was served picnic style during the noon hour. Approximately sixty people attended the reunion, and all of the Couch family was present.

In attendance were Mr. and Mrs. R. K. Aston, Betty and Novelle Aston, Mr. and Mrs. A. W. Edwards, Aubrey and Donald Edwards, all of Waxahachie; Mary Jo Couch, Jo Ann and Mary Linda Couch, Mr. and Mrs. R. F. Couch, Floyd, Texas.

Mr. and Mrs. George Couch, Bobbie Frances, Buster, and Jack Couch, Billie Dean, and Jack Ouel, all of Athens; Mr. and Mrs. Wayne Hatley, Nancy Hatley, Joann Hatley, Barry; Sue Hatley, A. F. Hatley, Mr. and Mrs. J. M. Brackeen, Mr. and Mrs. Archie Eerden and children, Mrs. Woodrow Brackeen and son, Corsicana; Mr. and Mrs. Claud Couch and children, Willis Point; Mr. and Mrs. Jess Hatley, A. Darden, and Mr. and Mrs. Dean Hatley, Blooming Grove.

Mr. and Mrs. Robert W. Annason have returned to Orange following a week-end visit in the home of Mrs. Annason's mother, Mrs. W. A. Mowlam.

JAMES E. TAYLOR

Candidate for State Senator 6th District,
Special Election, Tuesday,
November 7th

James E. Taylor is a native Texan, and a graduate of Baylor University.

In 1938 Mr. Taylor was elected to the House of Representatives. In 1940 he was re-elected for a second term. His leadership in the House was evidenced by the fact that he was chairman of the sub-committee which drafted the natural resource bill of 1941, and he was vice-chairman of the House committee on Revenue and Taxation. The natural resource bill yielded sufficient funds to finance old age pensions, teacher retirement stipends, aid to the blind, and assistance to dependent children.

James E. Taylor enlisted as a private in the National Guard, Kerens, Texas, in 1938. He went overseas as a Captain in the famous 36th Division (Texas); he has received two promotions. He has been on the firing line in all major engagements of this division, including Salerno, Anzio Beachhead, Cassino, Central Italy, and the German frontier as a Lieutenant Colonel and Battalion Commander.

If elected, Lieut. Cal. James E. Taylor can serve us.

STATE DEPARTMENT SAYS GOVERNMENT WAS PARTICIPANT

WASHINGTON, Oct. 19.—(AP)—The state department said today in a statement prompted by Gov. Thomas E. Dewey's foreign policy speech last night that the United States government participated "at all stages" in Romanian armistice negotiations.

The statement also described the Romanian armistice as "a military document and not a peace settlement" and said for that reason that it had been signed on behalf of the United States, Britain and Russia by the Soviet theater commander, Marshal Rodion Y. Malinowski.

Dewey, addressing the New York Herald Tribune Forum last night said "this was no more military armistice. This agreement fixed the future frontiers of Romania. It disposed of Bessarabia and Transylvania, two of the worst trouble spots of Europe. It dealt with economic matters."

The White House earlier had told newsmen to look at the state department for comment on Dewey's speech because it dealt with foreign policy.

Covered Two Points.

The statement given to reporters there "in reply to requests for comment" covered two points about the Romanian armistice which were made by the Republican presidential nominee in that part of his speech assailing what he called President Roosevelt's "personal secret diplomacy."

Dewey emphasized first that the armistice was signed by Malinowski, whom he described as "a representative of Soviet Russia acting in behalf of the United States."

Second, Dewey said the day after the signing Secretary of State Hull declined to comment "on the ground that the treaty had not been received from Moscow in time for study."

Followed Pattern.

In its statement the state department said the signing by Malinowski "followed the pattern of General Eisenhower in signing the armistice with Italy on behalf of the United States, the United Kingdom and the U. S. S. R."

It then said that Hull had told a news conference on Sept. 20 that the question of the final disposition of Transylvania would depend on confirmation at the time of the general peace settlement.

Of Bessarabia, the department said the armistice "merely restores the frontier between the two states as established by the Soviet-Romanian agreement of June 8, 1940."

Kept Fully Advised.

The statement went on to say that on Sept. 20 Hull "stated specifically that this government had been kept fully advised of the terms regarding Transylvania."

The secretary's comment that day arose from criticism by the New York Times of the disposition of Transylvania appeared to have been made without Hull's knowledge in view of an assertion by the secretary of state on September 13 that he had been kept informed of the contents of the armistice agreement. That was the day after the armistice had been signed.

Today the department said that Hull "of course" had been kept fully advised of the provisions of which had been agreed to by this government's representative on the basis of his specific instructions from this government and the discussions in which the department had participated.

"The definitive text was received later the same day and immediately released to the press."

Soldier Writes His Aunt of Frenchwomen Being Well Groomed

Mrs. M. E. Savage has had an interesting letter from her nephew, Sgt. Richard Taylor of Weiser, Idaho, who is now with U. S. combat forces in France, telling her of course, remarkably well-groomed appearance of the French women.

He described in detail the French women who dye their hair in varying tones of blue, yellow and copper, pile it high in an upsway hairdo, and then wear hats six inches higher than the hairdo. He admits that their coiffures are extreme, but that the French women in general have an outstandingly well-groomed appearance.

Knitting Wool Has Arrived, Red Cross Chairman Announces

Mrs. F. R. Young, production chairman of the Navarro Chapter, American Red Cross, has announced the arrival of one hundred pounds of olive drab knitting thread to be made into sweaters and gloves for members of the U. S. armed forces.

Production headquarters will be open on Thursday and Saturday afternoons from one to five o'clock, and volunteer knitters are urged to call during those hours.

Mrs. Young requests that all finished garments be returned to production headquarters at the earliest date possible for shipment overseas.

Crashing Navy Plane Took Blanket Off Babe; Unharmd

CROTON, Conn., Oct. 19.—(AP)—A navy fighter plane glanced off a house rooftop today in a crash landing, tearing the blanket from the bed of a sleeping two-year-old child who escaped with only minor scratches.

The navy public relations office announced the crash at Boston, and reported that Connecticut State police found the missing blanket in the wreckage of the plane in a nearby school yard where the craft came to rest after colliding with the side of the school.

The child, Margaret Morton, was buried in plaster and debris until her father, Thomas, dug her out, frightened but unharmd.

COME THANKSGIVING THERE MAY NOT BE TURKEY ON TABLE

DALLAS, Oct. 19.—(AP)—Come Thanksgiving, the piece de resistance on dinner tables of civilians probably will be something besides turkey.

All civilian purchases have been suspended until the armed services buy 60,000,000 pounds of turkey—and C. M. Evans, chief of the dairy and poultry branch of the war food administration office of distribution said here that even though sales started July 1, only half that amount has been obtained.

Unless the army gets the 60 million pounds within two weeks, the situation will begin to affect the civilian supply for Thanksgiving.

Spring rains retarded growth of turkeys, Evans said, and added that in addition, many turkey raisers have been slow to offer their birds for sale.

The record will be filed in the Texas Confederate Historical Museum the State Capitol Building at Austin which was founded and supported by the UDC.

The list of Confederate graves contained in the report covers the entire State, although most of them are in East Texas where the great number of Confederate soldiers lived and died.

TELEPHONE WORKERS AND COMPANY GIVEN TIME TO FILE BRIEFS

ST. LOUIS, Oct. 19.—(AP)—Southwestern Telephone Workers' Union (Ind.) and the Southwestern Bell Telephone Company were given two weeks to file briefs as testimony was concluded here yesterday in a regional War Labor Board panel hearing on a proposed wage increase for 33,000 employees of the firm.

The union has requested a 17 1/2 cent an hour increase for all non-supervisory employees, contending the weekly pay rate in the five-state area served by the

company is \$7.02 per week below the national average for telephone workers.

George C. Gephart, vice president and head of the personnel department of the company, said wages paid are in keeping with the general policy and any increase would be a violation of the Little Steel formula.

Dean Alexander, S. Langsdorf of Washington University, chairman of the panel, said in addition to the two weeks granted to file briefs, it would require probably two more weeks to prepare a transcript and forward the panel's decision to Washington.

The company operates in Missouri, Arkansas, Kansas, Oklahoma, and Texas.

SIZES OF STAKES IN ARMY CRAP GAMES GIVEN AN AIRING

MATTER BECOMES ECONOMIC ISSUE, AS IT ALWAYS HAS BEEN

BY FRANCIS J. KELLY
WASHINGTON, Oct. 19.—(AP)—The size of stakes in army crap games became an economic issue today, as it already were.

Spang in the middle of a scholarly discussion of Allied military currency used by our army in Italy, Economists Donald L. Kemmerer and T. Eugene Beattie observed that the soldiers customarily are handed their pay in the biggest bills available "and incidentally stakes in crap games are kept high."

"To keep transportation costs to a minimum our soldiers are generally paid in the largest denominations possible," the economists stated in a folder distributed by the Economists' National Committee on Monetary Policy.

"For example, a soldier entitled to \$46.50 on pay day will get four 1,000 lire notes, one 500 lire note, one 100 and one 50."

It doesn't take an assistant professor of economics, such as Kemmerer is at the University of Illinois, to decide that this procedure is virtually a command invitation for high rolling on the vagaries of that old clefter from Decatur and Little Joe from Kokomo.

Turned out in Washington, the currency which Kemmerer and Beattie took like cigar coupons lithographed on mediocre paper, is turned out in Washington and shipped to Italy where it has been declared legal tender. The sense of thrift, frequently converted the lire to dollar money order after the pay day flurries, home there's another crop shooting angle to the currency situation, Messrs. K. and B. declare:

"If it is attempted to redeem money in full for American soldiers there are possibilities, difficult to deal with, of soldiers buying native-held Allied military currency at a discount and making a profit."

"Who is to say that a G. I. turning up with a wad of bills did not win them at a crap game?"

WANT AMENDMENT TO OMNIBUS RIVERS AND HARBORS MEASURE

AUSTIN, Oct. 19.—(AP)—Southwest Water Works officials favor approval of the Omnibus Rivers and Harbors bill and the Omnibus flood control bill by Congress if the measures are amended to protect agricultural and industrial interests.

Meeting here yesterday, the southwest section of the American Water Works Association by resolution gave conditional approval to the bills and declared they should be amended in line with suggestions given at a water conservation conference in Chicago last month.

A. F. Mitchell, president of the Texas Society of Professional Engineers, Corsicana, said that early passage of the bills which will release 12 billion dollars in post-war projects throughout the nation, is desirable, but restrictive amendments are essential to protect both the agricultural and industrial interests if Texas.

Health and Sanitation

At the suggestion of V. M. Ehlers, chief engineer of the State board of health, the association resolved that in planning construction and operation of any project under the terms of these bills, ample provision be made for control of all health and sanitation hazards as well as state regulation regarding pollution of streams by domestic or industrial waste.

Entitled Recover Large Sum

PITTSBURGH, Oct. 19.—(AP)—The Gulf Oil Corporation is entitled to recover \$86,982.56 from the Government, collected here as security taxes assessed on distributors of the company's Petroleum Products and employees of the distributors, Federal Judge Nelson McVicar ruled yesterday. The court held the money was erroneously collected under the Social Security Act from Jan. 1, 1942, to Dec. 31, 1939, inasmuch as the distributors handled the Corporation's goods under commissions and the distributors paid salaries of their employees.

Refinery Workers
At Port Arthur Are Back On Their Jobs

PORT ARTHUR, Oct. 19.—(AP)—Work continued "as usual" today at the Port Arthur Texas company refinery after a group of employees who staged a 7-hour walkout yesterday returned to their jobs.

Ray Andrus, chairman of the workmen's committee, said the walkout by members of the International Oil Workers Union local (CIO) occurred following the discharge of 21 riggers helpers who declined to be transferred from the steel department to the labor gang.

Official estimates indicated some 2,000 men had left the plant. At a mass meeting last night they voted to return to work.

Bullets for Soldiers.

NEW DELHI, Oct. 19.—(AP)—Elphants, ox carts and airplanes have been pressed into service to move bullets to soldiers serving in India, the Chinese Burma-India war theater.

Nearly 1,200 pounds of bullets were flown here from the United States with the highest priority and indicated that from 30 to 40 per cent of the bullets already are en route to the United States.

Two Medal Winners to Meet.

LITTLE ROCK, Ark., Oct. 19.—(AP)—Two winners of the Congressional Medal of Honor who once played football for the University of Arkansas will be reunited here Saturday at the Arkansas-Texas game.

Capt. Maurice L. Britt, who received the nation's highest military honor in Italy, and Nathan C. Gordon, navy pilot awarded the medal for rescuing army fliers downed off New Ireland, will sit together behind the Arkansas team.

Britt is now a law student at the University of Gordon is home on leave.

JOHNSON SCORES REPUBLICANS; SEES DEMOCRATIC VICTORY

RALLY AT COURTHOUSE
WEDNESDAY MORNING
LARGELY ATTENDED

Predictions of victory for the Roosevelt-Truman National ticket in the general election, Nov. 7, plans for the local Navarro county Democratic campaign and address by Congressman Luther A. Johnson, Corsicana, chairman of the speakers bureau of the state organization, featured a Democratic rally at the courthouse Wednesday morning. A banquet will be held in Corsicana late this month. Several other Democrats also appeared on the program.

Mrs. Kirke Steele of Corsicana, District committeewoman, called the meeting to order stating the purpose was to devise ways to get out a big vote and make plans for the local campaign. She introduced Tom Tyson as chairman.

Congressman Johnson attacked the record of the Republicans as opposed to preparedness, lambasted Governor Dewey of New York, the Republican presidential nominee, for the type of campaign indulged in by the opposition—vilification, false denunciation tactics similar to those of a criminal lawyer in a criminal case and a distorter of facts.

In the beginning of his remarks, the veteran congressman said that England had not conducted a general election in the past seven years as the war is going on. He then said that under the Constitution, America was electing a president on November 7.

Referring to the greatest war in progress the world has ever known with more than 8,000,000 in uniform and half of them in the war zones, Congressman Johnson then launched into an attack of the Republicans after stating he had hoped that this type of campaign would not be held, and termed it the "distort-false charges, vilification," etc.

Vilification Campaign
"Dewey and others are so bent on winning this election" the congressman asserted, that they have employed the methods of vilification, etc., and then termed the Republican campaign "more like a backwoods political campaign than one to choose a president of the United States."

Johnson then said that in recent days people have told him that Dewey's attacks and abuse of President Roosevelt were driving votes away from the Republican standard.

Believe In Fair Play
"The American people believe in fair play and that a man big enough to be president should be big enough, not to sling mud," Johnson asserted, then observed that "Dewey and his henchmen and henchwomen are distorting the facts."

Turning his attention to the Republican claims that the Administration and the president did nothing to prepare the American people for approaching war, the ranking Democrat on the House Foreign Affairs Committee, declared: "If it's true, Roosevelt ought to

IN SOUTH PACIFIC—Coast Guard Lieut. (jg) John L. Murchison, of 212 North Thirtieth Street, Corsicana, Texas, is pictured aboard a Coast Guard-manned vessel, on which he serves as executive officer somewhere in the South Pacific. His ship is aiding in the island-hopping advances against the Japs. A graduate of the University of Texas, Lieut. Murchison previously served aboard a cutter in the North Atlantic. His wife is the former Helen Holmes of Corsicana. They have a three-year-old son, John Jr.

be defeated and if it is not true, the man making the charge that the Administration did nothing to prepare for war, he should be defeated," and then recited the promise of the Republican opposition to every effort made by the Chief Executive for appropriations for preparedness before Pearl Harbor.

Republicans Did Nothing
"In his messages to the Congress and his talks to the people, the president did everything in his power and went as far as the people would permit him in preparedness measures," Johnson said, and then lashed out at the Republican party as doing nothing to prepare this nation for war, reducing its sneering at every effort of the President to get ready for war, and charged him as being a war monger.

He read from a New York Times editorial that credited the Administration with repealing the arms embargo act, selective service and lend-lease measures as keeping the Allies from not being beaten and leaving America to fight a victorious Germany and Japan alone.

All For Preparedness
"This administration has done everything within its power for American preparedness and conduct of the war in spite of Republican opposition," Johnson declared, and then reviewed the reducing of everything the president asked of Congress by the Republicans.

"Had we repealed the Arms Embargo Act earlier, it might have prevented the war," the congressman said, and then set out that no one can say Roosevelt and Hull have not guided the Ship of State correctly in the foreign policy of the Administration.

Turning to another portion of his remarks the Congressman said the American people wanted two things—winning the war and a peace with victory. He said the fathers, mothers and wives of the

Baptist Institutions Remembered In Will Late Austin Moore

DALLAS, Oct. 19.—(AP)—The Baptist Foundation will receive \$100,000 and the Baylor University Hospital will receive \$50,000 from the estate of the late Austin Moore, president of the Austin Road Company, and Austin Bridge Company, according to his will which was filed in probate court here.

The value of the estate was placed at \$250,000, his father, Charles R. Moore, was major beneficiary, and was named executor without bond.

men in the armed forces know that this commander-in-chief had led this nation valiantly and successfully in this war and declared:

"America and the world needs Roosevelt until Victory comes," and posed this question:

"What effect would it have on our Allies if the news was flashed November 7 that Roosevelt was defeated?"

He said it would be construed as the victory for the isolationists, a reversal of American policy, discouragement to our Allies, encouragement to our enemies, and the prolongation of the war. Prolonging the war one day was too high a price to pay. The speaker also asked what could a new man do at the conference, etc., regardless of how brilliant and patriotic he might be.

Tyson said a campaign should be carried out to get the full strength out to vote, predicting that the Democrats would poll 2-3rds. If a light vote was cast in Texas and 30 percent of the million or more votes are seen, he said that there is no doubt about how Texas will go, but that any money not used in Texas will go to the doubtful states congressional campaigns where a big fight is or, to control Congress.

He said that if the Democrats had control in Congress, the Texas delegation would lose their high rank as committee chairmen.

Tyson Scores Regulars
Speaking of the opposition in Texas, Tyson stated that it was the most highly-financed in history—both the self-styled Regulars and Republicans. He rapped Regular leader, E. B. Germany as likely "to leave a Regular Bundle on the doorsteps of Unwilling Republicans."

He predicted that Roosevelt-Truman ticket would be elected and asserted that by a vote greater than the 1936 balloting, the American people will reflect honor on themselves for "the President has led us within sight of victory."

He conducted masterful planning for winning the war, assembled the greatest armed force in the world's history in seven seas, and predicted that the nation would give him a tremendous vote of confidence.

Casualties Low
"A majority of Americans love their boys better than dollars," Tyson stated, and then pointed out that Roosevelt's leadership had kept the casualty lists down for American forces.

Mayor John C. Calhoun of Corsicana, finance chairman, said many people in Corsicana "had been led astray by Regulars and Republican false gods," and appealed for the small contributors to send in their amounts.

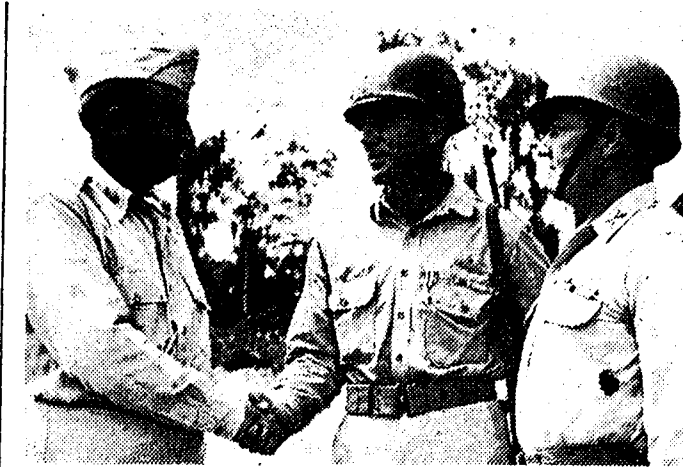

Dr. E. B. Lowry of Blooming Grove said if there was "a Regular in Blooming Grove, he's keeping in his fox-hole and not showing himself."

Predicts Demo Victory
He said he was under the impression that the Regulars had been cleaned out at the Dallas Democratic convention in September, and predicted the Democrats would do a good job burying them in November.

C. L. Knox referred to the Populist taking over the political offices here in the 1890s and urged that nominees for offices contribute heavily to the campaign. Tyson said that nominees should vote for, pay, and endorse publicly the nominees of the party.

Tyson urged a large attendance at the rally in Dallas, Oct. 27 when Senator Tom Connally will speak.

Mrs. Steele appointed Mayor Calhoun as chairman of the banquet arrangements committee, and Tyson for the program late this month. Tyson said the program will be provided by Congressman Johnson, District Judge Sarah T. Hughes of Dallas and R. W. Calvert of Hill County.

DECORATED—With the 37th Infantry Division Somewhere in the Southwest Pacific Area (Special)—Awarded the Silver Star for "gallantry in action" on Hill 120, Bougainville Island, Staff Sergeant Woodrow W. Baldwin, 28, Richland, Texas (center), is congratulated after being decorated by Major General Robert S. Beightler (left), 37th Division Commander, as Colonel John D. Frederick, veteran Infantry officer, looks on. Baldwin is an assistant Infantry platoon sergeant.

LIEUT. COL. J. FRANK LUMSDEN LED FIRST ASSAULT ALLIED AIRBORNE ARMY HISTORY MAKING INVASION

A NINTH TROOP CARRIER COMMAND BASE, European Theater of Operations. — Lieutenant Colonel J. Frank Lumsden, 35 year old Corsican and former American Airline pilot, led the first assault of the Allied Airborne Army in its recent spectacular and history making invasion when paratroopers and glider-borne infantry were dropped in the Rhine delta region of Holland. The airborne operation in which American, British and Polish troops were used carried out in that broad daylight of high noon, was the greatest aerial operation ever attempted.

Tremendous Sight
Commenting on his part in the invasion, Lt. Col. Lumsden said, "It was a gratifying experience to have piloted the lead plane of this airborne invasion. In every respect it was another D-day, an Aerial D-day, and a perfect day for carrying out the operations. From what opportunity I had of observing our aerial armada, I unreservedly say it was the most tremendous sight I have ever witnessed. The fighter planes accompanying us formed a veritable aerial armored tunnel, flying as they did over us, beneath us and at our sides. Not a single Nazi plane dared come up to attack us. With all our planes in the skies there simply was no room for a Nazi plane. We were particularly grateful for this fighter plane support, for our C-47s possess no armament and could not fight back if they were attacked. There was a fair amount of German fire but as soon as its source was detected, our dive bombers would peel off and descend to give them a going over."

Enviably Record
Choice of Lt. Col. Lumsden to lead this history making flight was well warranted. A senior pilot, with six years of flying for American Airlines during which time he compiled upwards of 6000 hours of flying time, he has established for himself an enviable record since arriving overseas early in 1943.

He has recently received two distinctive honors; the Troop Carrier Squadron of which he is the Commanding Officer has received the Distinguished Unit Citation and he, himself, has been awarded the Distinguished Flying Cross. The Distinguished Unit Citation was conferred on his Squadron for extraordinary heroism and gallantry shown in their combat operations during the first days of the invasion of France. Lt. Col. Lumsden led his squadron in that invasion to drop paratroopers on the Normandy peninsula several hours before ground troops came ashore from landing craft. That historic flight was made under difficult weather conditions and in the face of enemy warplanes. For his individual skill and courage as displayed in this combat mission, Colonel Lumsden was awarded the Distinguished Flying Cross.

Lt. Col. Lumsden's wife, Mrs. Helga Lumsden, and his two sons, Joey and Jerry, reside at 509

LIEUT. COL. LUMSDEN

Eleanor avenue, San Antonio.

Graduate C. H. S.
He received his early schooling in Corsicana, Texas, and after graduating from Corsicana High School he attended the Rice Institute and Centenary College. After receiving his flying training at Kelley Field in 1933-1934, he became a pilot for the American Airlines in 1936, flying various routes and establishing an enviable record. In May 1942 he joined the military service, receiving the rank of captain in June of that year. In November 1942 he became the Commanding Officer of the Troop Carrier Squadron which he now commands and was promoted to the rank of Major in January of 1943.

A few months later he led his squadron in a flight across the Atlantic for overseas duty. Under careful and attentive supervision, the pilots under his command underwent rigorous training for their first combat mission. This occurred on the night of July 9-10, when he led his squadron in a mission to drop paratroopers on the southwest coast of Sicily near Gela to commence the invasion of Sicily. This was a particularly difficult and hazardous flight as the area where the paratroopers were to be dropped was small and difficult to locate. In spite of intense enemy ground fire, Colonel Lumsden located the area and dropped his troops. For his heroism, courage and accomplishments on that mission Colonel Lumsden was awarded the Air Medal.

At Salerno
Later, he moved with his squadron to Sicily, there to prepare for the invasion of Italy. In September 1943 he was promoted to the rank of Lt. Colonel and on the night of October 13-14, he again led his squadron on a paratrooper mission, successfully dropping troops on the Salerno beachhead. For his extraordinary accomplishment on this occasion he was awarded the Oak Leaf Cluster to his Air Medal. After several months in the Mediterranean he was ordered with his unit to the European Theater of Operations, there to begin even more extensive and thorough training. How well the job was done lies now in the historic operations of D-day invasion of western Europe and the more recent airborne operations over the Rhine delta of Holland.

Aviation Cadet and Mrs. Wm. Hitchcock of Stuttgart, Ark., spent the week-end in the home of Mr. and Mrs. C. W. Hitchcock.

Install Farm Service Department
Inauguration of a Farm Service Department, for the purpose of efficiently serving the agricultural trade in the Corsicana area, has been announced by S. S. Boyd, local distributor for the Arkansas Fuel Oil Company, marketers of Cities Service petroleum products in the Southern states.

Celcel D. Brown has been named manager of the Farm Service Department, D. W. Harris, vice president and general manager of the company, Shreveport, La., announced.

The Farm Service Department is being instituted through the 12-state territory served by the Arkansas Fuel Oil Company as part of an expanded petroleum marketing program. The department will be highly personalized, the main objective being to properly service agricultural consumers in the Southern states.

Department headquarters will be maintained in Shreveport, La., but will be carried to the field by more than 400 retail and wholesale distributors located throughout the territory.

Mr. Boyd pointed out that the department will give specialized service and engineering assistance to farm accounts. He further said that a long-range farm assistance program had been outlined by the department as a means of benefiting the now highly mechanized business of agriculture.

Mr. Brown has been a member of the Arkansas Fuel Oil Company marketing department for the past 11 years. He is a skilled lubrication engineer, having served farm, industrial and commercial accounts for more than a decade.

LIEUT. JOHN KEEL BEEN TRANSFERRED SAN MARCOS FIELD

First Lieut. John L. Keel, who has been physical training director at Corsicana Field, Air Activities of Texas since April 1942, has been transferred to the San Marcos Air Field. It has been announced by Lieut. C. R. Parrent, public relations officer. He will go to Randolph Field where he will attend a school in parachute landing training for 10 days before assuming his duties as physical training director at San Marcos Field.

Lieut. Keel was a civilian director of physical training at Corsicana Field from April to September 1942. He attended officers' training school at Miami Beach, Fla., where he received his commission as second lieutenant and returned here the latter part of October 1942.

He and his wife made their home at 313 North Twelfth street.

Mr. and Mrs. Clark Hardison left for their ranch home near Houston today following a visit with Mr. Hardison's mother, Mrs. Laura Hardison, and family.

Flight Officer and Mrs. R. R. Hansen left for their home in Anderson, Montana, on Sunday. Mrs. Hansen was the former Roslyn

AERIAL GUNNER—Pfc. Preston K. Cook has completed training at the Harlingen Army Air Field and has received his wings as an aerial gunner in the U. S. Army Air Forces. He is the son of Mr. and Mrs. Alvin R. Cook, Corsicana route No. 3.

Bradford before her marriage to Flight Officer Hansen, who has been stationed at Corsicana Field for the past two years. They had been residing in an apartment at the home of Mrs. George L. Jackson, 1426 West Second Avenue.

Mr. and Mrs. E. T. Wareing were Dallas visitors on Wednesday.

Grocers Association Head Seeks Injunction

WACO, Oct. 19.—(AP)—An injunction to restrain Galveston-elected officials of the Texas Retail Grocers Association from acting for the association was sought here yesterday by B. H. Green, who identified himself in a petition as the association's president.

Green, in his petition, said the Galveston convention was "illegal" and asked \$5,000 damages for loss of membership fees and "other alleged interference by defendants."

Green said he had called off the 1944 convention because of the war and that his action had been ratified by the directors. He filed his petition in 19th district court here in the name of the Retail Grocers Association against "Julius Coselli of Harris county and Others."

The Court set no date for hearing of the application.

Corporation Court.
Five were fined \$3 each by Corporation Recorder C. L. Knox Wednesday for alleged violating the city sanitary ordinances.

Three dogs were killed by officers Wednesday, according to the police report. Two were given certificates for tickets and one for parking in a fire lane. One motorcycle was tagged for parking in a fire lane. One door was found unlocked by patrolmen Wednesday night.

Mr. and Mrs. E. T. Wareing were Dallas visitors on Wednesday.
